His Image Teen Girls:

In His Image for Teen Girls Priscilla Soos, 2015-12-09 God created each of us in His image and when He was finished He said It is good These three words from the book of Genesis give us all enormous value one that is not limited to a future in heaven In His Image for Teen Girls began as a quest by author Priscilla Soos to explain the value of these three little words and more for her teen daughter We all need to understand how much worth strength and focus can come from knowing that we are each created in Gods image A personal understanding of what it means to be created in Gods image not only helps us to defend against the negative images pressing down on us every day but also provides the tools to lift us up to the level God has planned for us God opened Soos eyes and helped her see that the challenges her daughter faced were the same as those she encountered at a similar age The situations differed but the core issues were the same the worth she placed on herself would reflect not only the value others would place on her but also the value she would accept from her environment In His Image for Teen Girls seeks to help teen girls understand that being created in Gods image makes them heirs to God and His kingdom

Literarily Kristie Anyabwile, 2022-03-01 Don't just read the Bible literally read it Literarily A lot of times we treat Scripture like it's all the same from Genesis to Revelation After all it only has one Author Isn't it just one big book identical from beginning to end While it's true that the Bible is unified it is also diverse The Bible can be grouped according to key categories called genres that help us to read and properly interpret the Scriptures An understanding of these genres and the literary themes and devices used within them makes all the difference when encountering God's Word Long time Bible teacher Kristie Anyabwile discovered as she prepared her lessons that a single inductive approach doesn't do justice to the variety of genres that make up the Word of God Because Scripture is a collection of writings that spans 1500 years many

literary styles are represented and each must be taken into account for the fullest understanding of God's Word Kristie shows you the immense value of studying the Bible literarily that is according to the literary style presented in a particular book chapter or passage In Literarily Kristie will take you through these eight distinct genres Law History Prophecy Poetry Gospels Epistles Wisdom Apocalyptic The Bible is an epic story that God has revealed to us through diverse genres and literary features Its message and method are both meant to transform our hearts Our goal as interpreters isn't to meld the Scriptures into a bland conglomerate but to recognize the multiple forms in which God's Word comes to us In so doing we'll encounter the ongoing story of Jesus's redemption and learn how He calls His people to live in our complex world today
