De Félix the Cat Blacksad en passant par Chaminou le chat s'est imposé comme un personnage de BD incontournable Étudier les félins en cases permet d'aborder de manière originale l'histoire des animaux Le 9e art fait en effet choquer la situation et la représentation du chat dans les sociétés humaines avec des héros d'abord vus comme rusés et anticonformistes tels Pat Hibulaire ou Krazy Kat puis avec l'affirmation de fidèles compagnons comme le chat de Gaston ou les félins mignons des mangas Mais l'analyse des séries félines permet aussi et surtout de mieux appréhender le fonctionnement de la BD Les héros chats jouissent d'une grande plasticité et poussent plus ou moins les fonctions des personnages de papier humains On se demandera par exemple comment un félin muet communique avec les lecteurs comment les chats naviguent entre dessin animé dessin de presse et BD ou encore si certains héros au pelage sombre peuvent être porteurs d'une identité afro-américaine L'ouvrage multiplie les exemples en voquant aussi bien la BD franco-belge que les comics et les mangas et favorise les approches les plus diverses en mobilisant des historiens de la BD et de l'animal mais aussi des littéraires et des stripologues
