

A woman with dark hair, seen from behind, stands in a lush forest. She is wearing a white long-sleeved top and a voluminous, flowing red skirt. Her arms are outstretched, holding the edges of her skirt. The forest is filled with tall trees, some with pink blossoms, and the ground is covered in green grass and fallen pink petals. Sunlight filters through the trees, creating a warm, golden glow. In the lower right foreground, there is a small wicker basket filled with colorful Easter eggs.

 With the weakening moral authority of the Catholic Church the boom ushered in by the Celtic Tiger and the slow but steady
 diminishment of the Troubles in the North Ireland has finally stepped out from the shadows of colonial oppression onto the
 world stage as a major cosmopolitan country Taking its title from a veiled reference to Roger Casement the humanitarian and
 Irish patriot hanged for treason in James Joyce s Ulysses The Poor Bugger s Tool demonstrates how the affective labor of
 Irish queer culture might contribute to a progressive new national image for the Republic and Northern Ireland Looking back
 to the first wave of Irish modernism in the works of Wilde Synge Casement and Joyce Patrick Mullen reveals how these
 authors deployed queer aesthetics to shape inclusive forms of national affiliation as well as to sharpen anti imperialist
 critiques In its second half the monograph turns its attention to Ireland s postmodernist boom in the works of Patrick
 McCabe Neil Jordan and Jamie O Neill With readings of The Butcher Boy Breakfast on Pluto and At Swim Two Boys Mullen
 shows that queer sensibilities and style remain key cultural resources for negotiating the political and economic realities of
 globalization at the turn of the twenty first century Buttressed by writings of theorists like Marx Foucault and Antonio Negri
 The Poor Bugger s Tool brings Irish literature into a fruitful dialog with queer theory postcolonial studies the history of
 sexuality and modernist aesthetics *The Touch of Sage* Marcia Lynn McClure,2010-05-27 Following the death of her
 parents Sage Willows had lovingly nurtured her younger sisters through childhood She loved her sisters She d seen each one
 married and was glad to see them settled and happy Furthermore she held no resentment at never having found a good man
 of her own to settle down with Yet regret is different than resentment and far more haunting Still Sage found as much joy as
 was allowed a lonely young woman in being proprietress of Willows Boardinghouse and in the companionship of the four
 beloved widow women boarding there Until that is the devilishly handsome Rebel Lee Mitchell appeared It seemed Reb
 Mitchel instantly and forever vanquished Sage s feigned contentment Dark mysterious and secretly wounded Reb Mitchell

utterly captured Sage's lonely heart Nevertheless to Sage Willows the powerfully attractive cowboy admired and coveted by every female in his path seemed entirely unobtainable How could a weathered boardinghouse proprietress resigned to spinsterhood ever hope to hold the attention of such a man And knowing she couldn't would Sage Willows simply sink deeper into the bleak loneliness she'd secreted for so long

The controversial British writer Ford Madox Ford 1873-1939 is increasingly recognized as a major presence in early twentieth century literature International Ford Madox Ford Studies has been founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue each will relate aspects of Ford's work life and contacts to broader concerns of his time Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade's End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman These works together with his trilogy *The*

Fifth Queen about Henry VIII and Katharine Howard are centrally concerned with the idea of Englishness All these and other works across Ford s prolific oeuvre are studied here Critics of Edwardian and Modernist literature have been increasingly turning to Ford s brilliant 1905 experiment in Impressionism *The Soul of London* as an exemplary text His trilogy *England and the English* of which this forms the first part provides a central reference point for this volume which presents Ford as a key contributor to Edwardian debates about the Condition of England His complex ironic attitude to Englishness makes his approach stand out from contemporary anxieties about race and degeneration and anticipate the recent reconsideration of Englishness in response to post colonialism multiculturalism globalization devolution and the expansion and development of the European Community Ford s apprehension of the major social transformations of his age lets us read him as a precursor to cultural studies He considered mass culture and its relation to literary traditions decades before writers like George Orwell the Leavises or Raymond Williams The present book initiates a substantial reassessment to be continued in future volumes in the series of Ford s responses to these cultural transformations his contacts with other writers and his phases of activity as an editor working to transform modern literature From another point of view the essays here also develop the project established in earlier volumes of reappraising Ford s engagement with the city history and modernity
