**Sherman's March** Burke Davis, 1988-05-12 Sherman's March is the vivid narrative of General William T. Sherman's devastating sweep through Georgia and the Carolinas in the closing days of the Civil War Weaving together hundreds of eyewitness stories Burke Davis graphically brings to life the dramatic experiences of the 65,000 Federal troops who plundered their way through the South and those of the anguished and often defiant Confederate women and men who sought to protect themselves and their family treasures usually in vain Dominating these events is the general himself Uncle Billy to his troops the devil incarnate to the Southerners he encountered What gives this narrative its unusual richness is the author's collation of hundreds of eyewitness accounts The actions are described in the words often picturesque and often eloquent of those who were there either as participants Union soldiers Confederate soldiers in the fighting and destruction or as victims of Sherman's frank vow to make Georgia howl Mr. Davis intercuts these scenes with closeups of the chief actors in this nightmarish drama and he also manages to give us a coherent historical account of the whole episode A powerful illustration of the proposition put forth in Sherman's most famous remark *The New Yorker*      General James Longstreet

Jeffry D. Wert, 2015-05-26 General James Longstreet fought in nearly every campaign of the Civil War from Manassas the first battle of Bull Run to Antietam Fredericksburg Chickamauga Gettysburg and was present at the surrender at Appomattox Yet he was largely held to blame for the Confederacy's defeat at Gettysburg General James Longstreet sheds new light on the controversial commander and the man Robert E Lee called my old war horse The Children's Civil War James Alan Marten, 2000-10-01 The Children's Civil War is an exploration of childhood during our nation's greatest crisis James Marten describes how the war changed the literature and schoolbooks published for children how it affected children's relationships with absent fathers and brothers how the responsibilities forced on northern and especially southern youngsters shortened their childhoods and how the death and destruction that tore the country apart often cut down children as well as adults

*Lost Causes* Bradley R. Clampitt, 2022-06 This groundbreaking analysis of Confederate demobilization examines the state of mind of Confederate soldiers in the immediate aftermath of war Having survived severe psychological as well as physical trauma they now faced the unknown as they headed back home in defeat *Lost Causes* analyzes the interlude between soldier and veteran suggesting that defeat and demobilization actually reinforced Confederate identity as well as public memory of the war and southern resistance to African American civil rights Intense material shortages and images of the war's devastation confronted the defeated soldiers turned veterans as they returned home to a revolutionized society Their thoughts upon homecoming turned to immediate economic survival a radically altered relationship with freedpeople and life under Yankee rule all against the backdrop of fearful uncertainty Bradley R Clampitt argues that the experiences of returning soldiers helped establish the ideological underpinnings of the Lost Cause and create an identity based upon shared suffering and sacrifice a pervasive commitment to white supremacy and an aversion to Federal rule and all things northern As *Lost Causes* reveals most Confederate veterans remained diehard Rebels despite demobilization and the demise of the Confederate States of America A Standard History of Georgia and Georgians Lucian Lamar Knight, 1917 Writing Women's History Elizabeth Anne Payne, 2011-09-13 Contributions by Laura F Edwards Crystal Feimster Glenda E Gilmore Jacquelyn Dowd Hall Darlene Clark Hine Mary Kelley Markeeva Morgan Anne Firor Scott Laurel Thatcher Ulrich and Deborah Gray White Anne Firor Scott's *The Southern Lady From Pedestal to Politics 1830-1930* stirred a keen interest among historians in both the approach and message of her book Using women's diaries letters and other personal documents Scott brought to life southern women as wives and mothers as members of their communities and churches and as sometimes sassy but rarely passive agents She brilliantly demonstrated that the familiar dichotomies of the personal versus the public the private versus the civic which had dominated traditional scholarship about men could not be made to fit women's lives In doing so she helped to open up vast terrains of women's experiences for historical scholarship This volume based on papers presented at the University of Mississippi's annual Chancellor Porter L Fortune Symposium in Southern History brings together essays by scholars at the forefront of contemporary scholarship on American women's history Each

regards The Southern Lady as having shaped her historical perspective and inspired her choice of topics in important ways These essays together demonstrate that the power of imagination and scholarly courage manifested in Scott's and other early American women historians work has blossomed into a gracious plentitude [A Brief History of Smyrna, Georgia](#) William P. Marchione, 2013-09-10 The dynamic city of Smyrna Georgia situated a scant fifteen miles northwest of Atlanta has a fascinating history In July 1864 two significant battles were fought within the confines of present day Smyrna as General Sherman's Federal juggernaut converged on the Gateway City of Atlanta The town was incorporated in 1872 with a population of fewer than three hundred residents and high expectations that rapid suburban development would ensue It was the coming to the area of the aeronautics industry in the post World War II period that finally generated sustained growth Then in the 1990s the city reinvented itself through an aggressive urban renewal program spearheaded by its dynamic mayor Max Bacon and a progressive minded city council Join author William P Marchione PhD as he recounts the fascinating history that created Smyrna *"The Women Will Howl"* Mary Deborah Petite, 2015-06-08 In July 1864 Union General William T Sherman ordered the arrest and deportation of more than 400 women and children from the villages of Roswell and New Manchester Georgia Branded as traitors for their work in the cotton mills that supplied much needed material to the Confederacy these civilians were shipped to cities in the North already crowded with refugees and left to fend for themselves This work details the little known story of the hardships these women and children endured before and most especially after they were forcibly taken from their homes Beginning with the founding of Roswell it examines the pre Civil War circumstances that created this class of women The main focus is on what befell the women at the hands of Sherman's army and what they faced once they reached such states as Illinois and Indiana An appendix details the roll of political prisoners from Sweetwater New Manchester **Columbus, Georgia, 1865** Charles A. Misulia, 2019-09-10 A thoroughly researched account of a memorable Civil War battle Columbus Georgia 1865 is a comprehensive study of the Easter Sunday April 16 1865 conflict which occurred in the dark of night and extended over a mile and half through a series of forts and earthworks and was finally decided in an encounter on a bridge a thousand feet in length This volume offers the first complete account of this battle examining and recounting in depth not only the composition and actions of the contending forces which numbered some three thousand men on each side but meticulously detailing the effect of the engagement on the city of Columbus and its environs Misulia's study fills in an omission in the grand account of our cataclysmic national struggle and adds a significant chapter to the history of an important regional city In addition Misulia takes on the long vexing question of which encounter should be recognized as the last battle of the Civil War and argues persuasively that Columbus Georgia qualifies for this distinction on a number of counts [Malcolm X Deluxe](#) Manning Marable, 2012-10-30 The deluxe eBook edition of the Pulitzer Prize winning Malcolm X A Life of Reinvention includes an interactive map of Harlem as it was in Malcolm's time and over 40 minutes of video a making of documentary featuring interviews with Marable's family graduate students and

editors clips of author Manning Marable from one of his lectures on the activist and archival footage of Malcolm X Martin Luther King Elijah Muhammad and others enhance this definitive profile of the legendary black activist's life. Of the great figures in twentieth century American history perhaps none is more complex and controversial than Malcolm X. Constantly rewriting his own story he was a criminal a minister a leader and an icon all before being felled by assassins' bullets at age thirty nine. Through his tireless activism and countless speeches he empowered hundreds of thousands of black Americans to create better lives and stronger communities while establishing the template for the self actualized independent African American man. In death he became a broad symbol of both resistance and reconciliation for millions around the world. Manning Marable's new biography of Malcolm is a stunning achievement. Filled with new information and shocking revelations that go beyond the *Autobiography of Malcolm X: A Life of Reinvention* unfolds a sweeping story of race and class in America from the rise of Marcus Garvey and the Ku Klux Klan to the struggles of the civil rights movement in the fifties and sixties. Reaching into Malcolm's troubled youth it traces a path from his parents' activism through his own engagement with the Nation of Islam charting his astronomical rise in the world of Black Nationalism and culminating in the never before told true story of his assassination. Malcolm X will stand as the definitive work on one of the most singular forces for social change capturing with revelatory clarity a man who constantly strove in the great American tradition to remake himself anew.

**Stepdaughters of History** Catherine Clinton, 2016-11-02 In *Stepdaughters of History* noted scholar Catherine Clinton reflects on the roles of women as historical actors within the field of Civil War studies and examines the ways in which historians have redefined female wartime participation. Clinton contends that despite the recent attention white and black women's contributions remain shrouded in myth and sidelined in traditional historical narratives. Her work tackles some of these well worn assumptions dismantling prevailing attitudes that consign women to the footnotes of Civil War texts. Clinton highlights some of the debates led by emerging and established Civil War scholars which seek to demolish demeaning and limiting stereotypes of southern women as simpering belles stoic Mammies Rebel spitfires or sultry spies. Such caricatures mask the more concrete and compelling struggles within the Confederacy and in Clinton's telling a far more balanced and vivid understanding of women's roles within the wartime South emerges. New historical evidence has given rise to fresh insights including important revisionist literature on women's overt and covert participation in activities designed to challenge the rebellion and on white women's roles in reshaping the war's legacy in postwar narratives. Increasingly Civil War scholarship integrates those women who defied gender conventions to assume men's roles including those few who gained notoriety as spies scouts or soldiers during the war. As Clinton's work demonstrates the larger questions of women's wartime contributions remain important correctives to our understanding of the war's impact. Through a fuller appreciation of the dynamics of sex and race *Stepdaughters of History* promises a broader conversation in the twenty first century inviting readers to continue to confront the conundrums of the American Civil War.

**Georgia Women** Ann Short Chirhart, Betty

Wood, 2009 This first of two volumes extends from the founding of the colony of Georgia in 1733 up to the Progressive era. From the beginning Georgia women were instrumental in shaping the state yet most histories minimize their contributions. The essays in this volume include women of many ethnicities and classes who played an important role in Georgia's history. Though sources for understanding the lives of women in Georgia during the colonial period are scarce the early essays profile Mary Musgrove an important player in the relations between the Creek nation and the British Crown and the loyalist Elizabeth Johnston who left Georgia for Nova Scotia in 1806. Another essay examines the near mythical quality of the American Revolution era accounts of Georgia's War Woman Nancy Hart. The later essays are multifaceted in their examination of the way different women experienced Georgia's antebellum social and political life the tumult of the Civil War and the lingering consequences of both the conflict itself and Emancipation. After the war both necessity and opportunity changed women's lives as educated white women like Eliza Andrews established or taught in schools and as African American women like Lucy Craft Laney who later founded the Haines Institute attended school for the first time. Georgia Women also profiles reform minded women like Mary Latimer McLendon Rebecca Latimer Felton Mildred Rutherford Nellie Peters Black and Martha Berry who worked tirelessly for causes ranging from temperance to suffrage to education. The stories of the women portrayed in this volume provide valuable glimpses into the lives and experiences of all Georgia women during the first century and a half of the state's existence. Historical figures include Mary Musgrove Nancy Hart Elizabeth Lichtenstein Johnston Ellen Craft Fanny Kemble Frances Butler Leigh Susie King Taylor Eliza Frances Andrews Amanda America Dickson Mary Ann Harris Gay Rebecca Latimer Felton Mary Latimer McLendon Mildred Lewis Rutherford Nellie Peters Black Lucy Craft Laney Martha Berry Corra Harris Juliette Gordon Low.
