F. J. Caldwell, 1951 [The Civil War: The Final Year Told by Those Who Lived It \(LOA #250\)](#) Aaron Dean-Sheehan, 2014-04-03 Featuring hundreds of first hand writings from the American Civil War this final installment of the highly acclaimed four volume series traces events from March 1864 to June 1865 After 150 years the Civil War still holds a central place in American history and self understanding It is our greatest national drama at once heroic tragic and epic our Iliad but also our Bible a story of sin and judgment suffering and despair death and resurrection in a new birth of freedom The Civil War The Final Year brings together letters diary entries speeches articles messages and poems to provide an incomparable literary portrait of a nation at war with itself while illuminating the military and political events that brought the Union to final victory and slavery and secession to their ultimate destruction The final volume of this highly acclaimed four volume series begins with the controversial Kilpatrick Dahlgren raid on Richmond in March 1864 and ends with the proclamation of emancipation in Texas in June 1865 It collects 160 pieces by more than one hundred participants and observers among them Abraham Lincoln William T Sherman Ulysses S Grant Jefferson Davis Robert E Lee Frederick Douglass Harriet Ann Jacobs Walt Whitman Henry Adams and Herman Melville as well as Union officers Charles Harvey Brewster James A Connolly and Stephen Minot Weld Confederate diarists Catherine Edmondston Kate Stone and Judith W McGuire freed slaves Spottswood Rice Garrison Frazier and Frances Johnson and Confederate soldiers J F J Caldwell Samuel T Foster and William Pegram The selections

include vivid and haunting firsthand accounts of battles and campaigns the Wilderness Spotsylvania Cold Harbor Atlanta the Crater Franklin and Sherman s march through Georgia and the Carolinas as well as of the Fort Pillow massacre the struggle to survive inside Andersonville prison the burning of Columbia and Richmond the passage of the Thirteenth Amendment the surrender at Appomattox and Lincoln s assassination The Civil War The Final Year includes an introduction headnotes a chronology of events biographical and explanatory endnotes full color endpaper maps and an index

“Strong Men of the Regiment Sobbed Like Children” John Michael Priest,2024-06-30 The fighting on the first day at Gettysburg on July 1 1863 was unexpected heavy confusing and in many ways decisive Much of it consisted of short and often separate simultaneous engagements or firefights a term soldiers often use to describe close vicious and bloody combat Several books have studied this important inaugural day of Gettysburg but none have done so from the perspective of the rank and file of both armies John Michael Priest s Strong Men of the Regiment Sobbed Like Children John Reynolds I Corps at Gettysburg on July 1 1863 rectifies this oversight in splendid style When dawn broke on July 1 no one on either side could have conceived what was about to take place Anticipating a fight and with a keen appreciation for terrain Brig Gen John Buford deployed his Union cavalry in a giant arc north and west of Gettysburg to slow down any Confederate advance until Maj Gen John Reynolds could bring up his infantry By the time the foot soldiers of the I Corps arrived A P Hill s heavy Confederate formations had pushed back the troopers from the west Richard Ewell s troops would soon arrive from the north threatening the town and its key road network Reynolds who would die early in the fighting poured his troops in as they arrived The road system and undulating ground broke up command control and the various ridges tall ground cover and powder smoke made target recognition difficult Brigades and regiments often engaged on their own initiatives without the direction of a division or corps commander The men of both armies fought with determination born of desperation valor and fear By the time the fighting ended the I Corps was in shambles and in pell mell retreat for Cemetery Hill Its bold stand together with the XI Corps north of town bought precious hours for the rest of the Army of the Potomac to arrive and occupy good defensive ground Priest who Edwin Bearss hailed as the Ernie Pyle of the Civil War spent a decade researching this study and walking the ground to immerse readers into the uncertain world of the rank and file experience He consulted more than 300 primary sources including letters diaries memoirs newspaper accounts recollections casualty lists and drill manuals to present the battle from the ground up Nineteen detailed regimental level maps illustrate the ebb and flow of the battle The result is a fast paced narrative sure to please the most demanding students of the Civil War The footnotes alone are worth the price of admission Readers will close the book with a full understanding of why a veteran New Yorker spoke for the survivors of both armies when he wrote Strong men of the regiment sobbed like children

The Era of the Civil War--1820-1876 Louise A. Arnold-Friend,US Army Military History Institute,1982

The Petersburg Campaign Edwin C. Bearss,2014-03-19 Winner 2014 The Douglas Southall Freeman Award The wide ranging and largely ignored operations around Petersburg Virginia

were the longest and most extensive of the entire Civil War The fighting began in June of 1864 when advance elements from the Union Army of the Potomac crossed the James River and botched a series of attacks against a thinly defended city The fighting ended nine long months later in the first days of April of 1865 In Volume I of The Petersburg Campaign legendary historian Edwin C Bearss detailed the first six major engagements on the Eastern Front from the initial attack on the city on June 9 through the Second Battle of Ream's Station on August 25 1864 In Volume II Bearss turns his attention and pen to the final half dozen large scale combats in The Petersburg Campaign The Western Front Battles September 1864 April 1865 Although commonly referred to as the Siege of Petersburg the city as well as the Confederate capital at Richmond was never fully isolated and the combat involved much more than static trench warfare In fact much of the wide ranging fighting involved massive multi corps Union offensives designed to cut important roads and rail lines feeding Petersburg and Richmond This second installment includes these major battles Peebles Farm September 29 October 1 1864 Burgess Mill October 27 1864 Hatcher's Run February 5 7 1865 Fort Stedman March 25 1865 Five Forks Campaign March 29 April 1 1865 The Sixth Corps Breaks Lee's Petersburg Lines April 2 1865 Accompanying these salient chapters are two dozen original maps by Civil War cartographer George Skoch coupled with photos and illustrations Taken together these two volumes present the most comprehensive and thorough understanding of the major military episodes comprising the fascinating Petersburg Campaign The History of a Brigade of South Carolinians, First Known as "Gregg's" and Subsequently as "McGowan's Brigade" James Fitz James Caldwell, 1984 **Special Bibliography**, 1982 Historical Report on the Troop Movements for the Second Battle of Manassas, August 28 Through August 30, 1862 John Hennessy, 1985

A Confederate Legend Edward J. Cashin, 2008 Deepens our understanding of what it was like to be a common soldier in the Confederate army and live through the years after defeat Benson fought loyally for the south went to prison and escaped then survived Reconstruction **Echoes from Gettysburg** J. Keith Jones, 2017-07-02 South Carolina contributed two brigades of infantry two regiments of cavalry and several artillery batteries to the Battle of Gettysburg in July of 1863 Their veterans related accounts of heroism and fear triumph and loss for the remainder of their lives These are their stories Gleaned from diaries letters and newspaper articles written immediately after the great battle and throughout the balance of the lives of its veterans these stories place the reader in the boots of the men who lived the experience Included with the firsthand accounts are maps of the fields fought for by these sons of the Palmetto State and photographs of a number of the soldiers involved Along with battle histories and the individual exploits of the brigades led by General Joseph Kershaw General Wade Hampton and Colonel Abner Perrin are accounts of the artillery batteries from South Carolina and the improvised cavalry command assembled from scattered companies by Colonel John Logan Black who had been left behind due to wounds from an earlier battle Black was determined to rejoin the army as soon as he was able and caught up with General Robert E Lee with two companies and other miscellaneous cavalymen who had been separated from their regiments

His improvised command participated in all three days of the battle before rejoining Hampton's Brigade. Also covered are the annual reunions where the old soldiers gathered to camp once again on the fields of Gettysburg. The veterans recount many tales of reconnecting with old comrades, memories of those who never made it home, and their reconciliation with former enemies. Every strata of the soldier experience at Gettysburg is represented, from the highest general to the lowliest private. Every life is a story and provides a piece toward completing the puzzle of the human experience at Gettysburg.

The Siege of Petersburg John Horn, 2014-08-19. A revised and expanded tactical study of General Grant's Fourth Offensive during the American Civil War. The nine-month siege of Petersburg was the longest continuous operation of the American Civil War. A series of large-scale Union offensives and grand maneuvers that triggered some of the fiercest battles of the war broke the monotony of static trench warfare. Grant's Fourth Offensive, August 14-25, the longest and bloodiest operation of the campaign, is the subject of John Horn's revised and updated Sesquicentennial edition of *The Siege of Petersburg: The Battles for the Weldon Railroad, August 1864*. Frustrated by his inability to break through the Southern front, General Grant devised a two-punch combination strategy to sever the crucial Weldon Railroad and stretch General Lee's lines. The plan called for Winfield Hancock's II Corps with X Corps to move against Deep Bottom, north of the James River, to occupy Confederate attention while Warren's V Corps, supported by elements of IX Corps, marched south and west below Petersburg toward Globe Tavern on the Weldon Railroad. The move triggered the battles of Second Deep Bottom, Globe Tavern, and Second Reams Station, bitter fighting that witnessed fierce Confederate counterattacks and additional Union operations against the railroad before Grant's troops dug in and secured their hold on Globe Tavern. The result was nearly 15,000 killed, wounded, and missing, the severing of the railroad, and the jump-off point for what would be Grant's Fifth Offensive in late September. Revised and updated for this special edition, Horn's outstanding tactical battle study emphasizes the context and consequences of every action and is supported by numerous maps and grounded in hundreds of primary sources. Unlike many battle accounts, Horn puts Grant's Fourth Offensive into its proper perspective, not only in the context of the Petersburg Campaign and the war but in the context of the history of warfare. A superior piece of Civil War scholarship.

Edwin C. Bearss, former Chief Historian of the National Park Service and award-winning author of *The Petersburg Campaign, Volume 1: The Eastern Front Battles* and *Volume 2: The Western Front Battles*. It's great to have John Horn's fine study of August 1864 combat actions in Richmond, Petersburg style, back in print, covering actions on both sides of the James River, with sections on Deep Bottom, Globe Tavern, and Reams Station. Utilizing manuscript and published sources, Horn untangles a complicated tale of plans gone awry and soldiers unexpectedly thrust into harm's way. This new edition upgrades the maps and adds some fresh material. Good battle detail, solid analysis, and strong characterizations make this a welcome addition to the Petersburg bookshelf.

Noah Andre Trudeau, author of *The Last Citadel: Petersburg, June 1864–April 1865*. *Administrations of royal governors (1719-1776)* Yates Snowden, Harry Gardner Cutler, 1920. *Gregory's New York Brigade*: Valgene L.

Dunham,2015-12-11 At the beginning of October 1864 the only equipment most Union soldiers near Petersburg Virginia needed was a shovel including Gen Edgar Gregorys new reserve brigade which was digging trenches around the besieged city Most of the brigades volunteer members from New York had never fired a musket upon marching into the swamps and woods southwest of Petersburg But the dusty blue collar workers became a force to be reckoned with as they dug and marched westward to force Gen Robert E Lee to extend forces away from Petersburg Following the brigades largest battle Five Forks the Union marched rapidly westward to keep Lee from joining Gen Joseph Johnston The brigade was selected to assist in the surrender at Appomattox Those acts alone would have solidified the brigades place in history but its men also served as caretakers of the peace during their march back to Washington D C especially after the assassination of President Lincoln Gregorys New York Brigade deserves to be honored as much as those who fought in the major battles of the war Find out why in this detailed account of its well deserved place in history
