History Donner Party Tragedy Sierra:

History of the Donner Party Charles F. McGlashan, 2013-10-10 This gripping account of the doomed expedition combines survivor interviews with diary entries to reveal not only a stark tale of desperation but also many inspiring acts of heroism

History of the Donner Party C. f. McGlashan, 2015-04-11 The Donner Party was a group of American Pioneers who set out for California in a wagon train Delayed by a series of mishaps they spent the winter of 1846-47 snowbound in the Sierra Nevada Some of the emigrants resorted to cannibalism to survive eating those who had succumbed to starvation and sickness Historians have described the episode as one of the most spectacular tragedies in Californian history and in the record of western migration Originally published in 1880 McGlashan's *History of the Donner Party* remains in steady demand as an authoritative account of the tragic episode one of the most spectacular tragedies in Californian history The name of the Donner Party has come to symbolize the struggle of all pioneers for the Donner experiences were the pinnacle of human horror despair and suffering This chronicle is a towering tribute to the band of pioneers who struggled over deserts and the High Sierra toward California during the rugged winter of 1846-47 The disasters they endured form a bold contrast to the comfort and safety of the contemporary day Donner Lake region Mr McGlashan was a contemporary of the Donner Party's children From the many survivors of the expedition whom he knew and interviewed from a personal knowledge of the route followed from more than a thousand letters written to him by survivors and from consultations with still living authors of older works on the subject McGlashan was able to verify the facts and write a book from the point of view of the survivors themselves

[History of the Donner Party](#) C. F. McGlashan, 2015-07-19 Excerpt from *History of the Donner Party: A Tragedy of the Sierras*. If such a vision was related, it but indicates prophetically the progress of a few years. California's history is replete with tragic, startling events. These events are the landmarks by which its advancement is traced. One of the most mournful of these is recorded in this work, a work intended as a contribution not to the literature but to the history of the State. More thrilling than romance, more terrible than fiction, the sufferings of the Donner Party form a bold contrast to the joys of pleasure seekers who to day look down upon the lake from the windows of silver palace cars. The scenes of horror and despair which transpired in the snowy Sierra in the winter of 1846-7 need no exaggeration, no embellishment. From all the works heretofore published, from over one thousand letters received from the survivors, from ample manuscript and from personal interviews with the most important actors in the tragedy, the facts have been carefully compiled. Neither time pains nor expense have been spared in ferreting out the truth. New and fragmentary versions of the sad story have appeared almost every year since the unfortunate occurrence. To forever supplant these distorted and fabulous reports which have usually been sensational newspaper articles, the survivors have deemed it wise to contribute the truth. The truth is sufficiently terrible. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com.
