History Historical Writing America:

The History of Historical Writing in America John Franklin Jameson, 1963 *The Writing of American History* Michael Kraus, Davis D. Joyce, 1990-01-01

Events which become historical says Michael Kraus do not live on because of their mere occurrence They survive when writers re create them and thus preserve for posterity their otherwise fleeting existence Paul Revere s ride for example might well have vanished from the records had not Longfellow snatched it from approaching oblivion and given it a dramatic spot in American history Now Revere rides on in spirited passages in our history books In this way the recorder of events becomes almost as important as the events themselves In other words historiography the study of historians and their particular contributions to the body of historical records must not be ignored by those who seriously wish to understand the past When the first edition of Michael Kraus s Writing of American History was published a reviewer for the New York Herald Tribune wrote No serious study of our national origins and development can afford not to have such an aid as this at his elbow The book quickly came to be regarded as one of the few truly standard general surveys of American historiography invaluable as a reference book as a textbook and as a highly readable source of information for the interested general reader This new edition with coauthor Davis D Joyce confirms its position as the definitive work in the field Concise yet comprehensive here is an analysis of the writers and writings of American history from the Norse voyages to modern times The book has its roots in Kraus s pioneering History of American History published in 1937 a unique and successful attempt to cover in one volume the entire sweep of American historical activity Kraus revised and updated the book in 1953 when it was published under the present title Now once again the demand for its revision has been met Davis D Joyce with the full cooperation and approval of Kraus has thoroughly revised and brought up to date the text of the 1953 edition The clarity and evenhandedness of Kraus s text has been carefully preserved The last three chapters add entirely new material surveying the massive and complex body of American historical writing since World War II Consensus American Historical Writing in the 1950s Conflict American Historical Writing in the 1960s and Complexity American Historical Writing in the 1970s and Beyond Michael Kraus Professor Emeritus at City College of New York received the Ph D from Columbia University and in his long career established himself as one of America s foremost historiographers Davis D Joyce is Professor Emeritus of History East Central University Ada Oklahoma and is the author of HOWARD ZINN A RADICAL AMERICAN VISION and ALTERNATIVE OKLAHOMA CONTRARIAN VIEWS OF THE SOONER STATE He teaches part time at Rogers State University Claremore Oklahoma

available for future generations to enjoy *The History of Historical Writing in America* J. Franklin Jameson, 2014-03 This Is A New Release Of The Original 1891 Edition *History's Memory* Ellen Fitzpatrick, 2002-06-17 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today's heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past *The Writing of American History* Michael Kraus, 1953 *Encyclopedia of Historians and Historical Writing* Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies *Writings on American History*, 1917 **Ukrainian Historical Writing in North America during the Cold War** Volodymyr V. Kravchenko, 2022-12-13 This book is the first comprehensive survey of Ukrainian historical writing in North America during the Cold War The author describes the development of Ukrainian historical studies in Canada and the United States as an open sometimes difficult dialogue between the Ukrainian ethnic and academic communities on the one hand and between Ukrainian scholars and Western academic mainstream on the other He focuses on the institutional and the intellectual issues including various interpretations of major topics related to the Ukrainian national grand narrative considering them in the evolving academic and political contexts of Slavic East European and Soviet studies **The Past Before Us** Michael G. Kammen, American Historical Association, 1980 Is there a distinctive American style of historical scholarship To what extent have quantitative methods and computer technology affected the writing of history Has descriptive history been supplanted by analytical history What constitutes adequate historical explanation These are just a few of the questions addressed in *The Past Before Us* The contributors twenty one distinguished historians discuss the state of their profession today and describe their interests activities and problems Reflecting new and exciting trends in historical research their essays taken together provide a searching assessment of the major advances in historical methods as well as in historical knowledge during the 1970s Jacket **History's Memory** Ellen Fitzpatrick, 2004-10-25 This reinterpretation of a century of American historical writing challenges the notion that the politics of the recent past alone explains the politics of history Fitzpatrick offers a wise historical perspective on today's heated debates and reclaims the long line of historians who tilled the rich and diverse soil of our past *A Global Encyclopedia of Historical Writing, Volume 2* D.R. Woolf, 2022-09-30 First published in 1998 Including a wide range of information and

recommended for academic libraries this encyclopedia covers historiography and historians from around the world and will be a useful reference to students researchers scholars librarians and the general public who are interested in the writing of history Volume II covers entries from K to Z **Encyclopedia of Historians and Historical Writing** Kelly

Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

Encyclopedia of the Romantic Era, 1760-1850 Christopher John Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism

Africans at Home and in the United States Emeka C. Anaedozie,2021-03-09 In Africans at Home and in the United States One People One Problem One Destiny Emeka C Anaedozie examines Pan African cultural and intellectual history focusing on sociocultural commonalities and challenges facing African people To this end Dr Anaedozie argues that since oppression divided Africans Pan Africanism is the natural antidote to the subjugation that forcefully separated enslaved and colonized Africans

Bourgeoisie Christof Dejung,David Motadel,Jürgen Osterhammel,2019-11-26 The first global history of the middle class While the nineteenth century has been described as the golden age of the European bourgeoisie the emergence of the middle class and bourgeois culture was by no means exclusive to Europe The Global Bourgeoisie explores the rise of the middle classes around the world during the age of empire Bringing together eminent scholars this landmark essay collection compares middle class formation in various regions highlighting differences and similarities and assesses the extent to which bourgeois growth was tied to the increasing exchange of ideas and goods The contributors indicate that the middle class was from its very beginning even in Europe the result of international connections and entanglements Essays are grouped into six

thematic sections the political history of middle class formation the impact of imperial rule on the colonial middle class the role of capitalism the influence of religion the obstacles to the middle class beyond the Western and colonial world and lastly reflections on the creation of bourgeois cultures and global social history Placing the establishment of middle class society into historical context this book shows how the triumph or destabilization of bourgeois values can shape the liberal world order The Global Bourgeoisie irrevocably changes the understanding of how an important social class came to be Annual Report of the American Historical Association American Historical Association,1890 Class list Salem Mass, publ. libr,1895
