Cubism Emily Braun,Rebecca A. Rabinow,2014-10-09 This beautifully illustrated volume tells the story of Cubism through twenty two essays that explore the most significant private holding of Cubist art in the world today the Leonard A Lauder Collection now a promised gift to The Metropolitan Museum of Art The eighty works featured in this volume by Georges Braque Juan Gris Fernand L ger and Pablo Picasso are among the most important and visually arresting in the movement s history These masterpieces critical to the development of Cubism include such groundbreaking paintings as Braque s Trees at L Estaque considered one of the very first Cubist pictures Picasso s Still Life with Fan L Ind pendant one of the first to introduce typography Gris s noirish uncanny The Man at the Caf one of his most celebrated collages and L ger s uniquely ambitious Composition The Typographer Written by renowned experts on this subject the essays trace the evolution of Cubism from its origins in the still lifes portraits and collages of Braque and Picasso through the precisely delineated compositions by Gris that prefigure the Synthetic Cubism of the war years to L ger s distinctive intersections of spherical cylindrical and cubic forms that evoke the syncopated rhythms of modern life Also included are a fascinating interview in which Leonard Lauder discusses his approach to collecting an investigative essay on the information gleaned from the backs of the works themselves and an authoritative catalogue that further establishes the lives of these magnificent objects A publication to place alongside the great histories of Modernism this comprehensive book will stand as the resource for understanding Cubism for many years to come

Children's Literature and New York City Padraic Whyte,Keith O'Sullivan,2014-01-10 This collection explores the significance of New York City in children s literature stressing literary political and societal

influences on writing for young people from the twentieth century to the present day Contextualized in light of contemporary critical and cultural theory the chapters examine the varying ways in which children's literature has engaged with New York City as a city space both in terms of urban realism and as an idea such as the fantasy of the city as a place of opportunity or other associations The collection visits not only dominant themes motifs and tropes but also the different narrative methods employed to tell readers about the history function physical structure and conceptualization of New York City acknowledging the shared or symbiotic relationship between literature and the city just as literature can give imaginative reality to the city the city has the potential to shape the literary text This book critically engages with most of the major forms and genres for children young adults that dialogue with New York City and considers such authors as Margaret Wise Brown Felice Holman E L Konigsburg Maurice Sendak J D Salinger John Donovan Shaun Tan Elizabeth Enright and Patti Smith

Cultural Critique Through the Detour of Art Kris Rutten, Keyan G. Tomaselli, 2025-06-30 This book brings together a selection of articles that have been published throughout a series of special issues of the journal Critical Arts South North Cultural and Media Studies that originally focused on the so called ethnographic turn in contemporary arts An increasing wave of art events has occurred since the 1990s that have displayed significant similarities with anthropology and ethnography in their theorizations of cultural difference and representational practices The aim of these works was to revisit the ethnographic turn in contemporary art by bringing together contributions from theorists artists and critics to engage critically with the ethnographic perspective in their work This focus on the ethnographic turn has been expanded in subsequent special issues to explore how culture and society can be critically explored and challenged through the detour of art how contemporary art practices engage with participation interaction and technology in an increasingly digital screen culture and what the role can be of critical art to conceptualize contest and or develop an engaged and critical pedagogy This collection aims to re-expose the special issues to an international audience by presenting a non-exhaustive selection of articles that exemplify the different perspectives and discussions that are tackled throughout It starts with three of the introductory articles that have attracted large readerships and that give a detailed introduction for the special issues The compilation ends with three so-called Vignettes these are short statements and reflections by artists about their practice which are an important feature of the special issues

Baroque Tendencies in Contemporary Art

Kelly A. Wacker,2021-02-03 Baroque Tendencies in Contemporary Art is a collection of essays by an international cadre of scholars addressing current trends within the field of contemporary art and how artists and architects reflect upon past traditions and fold them into the present Often referred to as the Neo Baroque scholarship on this topic first emerged in the 1980s with the publication of several notable studies in France but not translated into English until the 1990s in addition a number of recent exhibitions have focused on contemporary responses to the Baroque The Baroque and the Neo Baroque are frequently defined as having a propensity for instability seriality reflexivity fluidity and spectacle This is perhaps partly why in the millennial period there is so much interest in the Baroque we are seeking ways to find parallels between the art of then and the art of our own diverse pluralistic culture This book provides context for how contemporary artists meet and deal with the Baroque both formally and conceptually Among others it provides discussions of the work of American artists John Currin Jeff Koons Frank Stella Lisa Yuskavage American architect Frank Gehry European artists Lucian Freud Jenny Saville Emilio Vedova Latin American artists Monica Castillo Raphael Cauduro Yishai Judisman and New Zealand artists Richard Reddaway and Joanna Langford

Visual Culture Richard Howells,Joaquim Negreiros,2019-03-05 This is a book about how to read

visual images from fine art to photography film television and new media It explores how meaning is communicated by the wide variety of texts that inhabit our increasingly visual world But rather than simply providing set meanings to individual images Visual Culture teaches readers how to interpret visual texts with their own eyes While the first part of the book takes readers through differing theoretical approaches to visual analysis the second part shifts to a medium based analysis connected by an underlying theme about the complex relationship between visual culture and reality Howells and Negreiros draw together seemingly diverse methodologies while ultimately arguing for a polysemic approach to visual analysis The third edition of this popular book contains over fifty illustrations for the first time in colour Included in the revised text is a new section on images of power fear and seduction a new segment on video games as well as fresh material on taste and judgement This timely edition also offers a glossary and suggestions for further reading Written in a clear lively and engaging style Visual Culture continues to be an ideal introduction for students taking courses in visual culture and communications in a range of disciplines including media and cultural studies sociology and art and design

Irma Stern and the Racial Paradox of South African Modern Art LaNitra M. Berger,2020-11-12 South African artist Irma Stern 1894 1966 is one of the nation s most enigmatic modern figures Stern held conservative political positions on race even as her subjects openly challenged racism and later the apartheid regime Using paintings archival research and new interviews this book explores how Stern became South Africa s most prolific painter of Black Jewish and Colored mixed race life while maintaining controversial positions on race Through her art Stern played a crucial role in both the development of modernism in South Africa and in defining modernism as a global movement Spanning the Boer War to Nazi Germany to apartheid South Africa and into the contemporary RhodesMustFall movement Irma Stern s work documents important twentieth century cultural and political moments More than fifty years after her death Stern s legacy challenges assumptions about race gender roles and religious identity and how they are represented in art history

Partisan Canons Anna Brzyski,2007-10-08 Case studies that counter the idea of a transcendent art canon by demonstrating that the content of any and every canon is historically and culturally specific **The Art Bulletin** ,1929
Includes section Notes and reviews **Publishers' circular and booksellers' record** ,1856 The Literary Gazette and Journal of the Belles Lettres, Arts, Sciences, &c ,1850 **Angels of Art: Women and Art in American Society, 1876-1914** , Angels of Art Bailey Van Hook,2004-06-11 Images of women were ubiquitous in America at the turn of the last century In painting and sculpture they took on a bewildering variety of identities from Venus Ariadne and Diana to Law Justice the Arts and Commerce Bailey Van Hook argues here that the artists concepts of art coincided with the construction of gender in American culture She finds that certain characteristics such as ideal beautiful decorative and pure both describe this art and define the perceived role of women in American society at the time Most late nineteenth century American artists had trained in Paris where they learned to use female imagery as a pictorial language of provocative sensuality Van Hook first places the American artists in an international context by discussing the works of their French teachers including Jean Léon Gérôme and Alexandre Cabanel She goes on to explore why they soon had to distance themselves from that context primarily because their art was perceived as either openly sensual or too obliquely foreign by American audiences Van Hook delineates the modes of representation the American painters chose which ranged from the more traditional allegorical or mythological subjects to a decorative figure painting indebted to Whistler Changing American culture ultimately rejected these idealized female images as too genteel and eventually too academic and European Angels of Art is the first study to discuss the predominance of images of women across stylistic boundaries and within the wider context of European art It relies heavily on contemporary sources both to document critical responses and to find intersecting patterns in attitudes toward women and art
