## History Of The Paris Commune Of 1871:

**The History of the Paris Commune of 1871** Thomas March,1896      History of the Commune of 1871 Lissagaray,1898      **History of the Paris Commune of 1871** Prosper-Olivier Lissagaray,2011-10-17 This book is an excellent history of the Paris Commune Its author Lissagaray was a direct participant and fought for the Commune on the barricades He collected testimonies from the survivors in exile in London Switzerland and consulted all documents available at the time to ensure accuracy He was assisted by Karl Marx in the writing of this classic which was translated to English by Eleanor Marx      **Communards** Mitchell Abidor,2010 Communards The Story of the Paris Commune of 1871 As Told by those Who Fought for It Texts selected edited and translated by Mitchell Abidor Published by Marxists Internet Archive Publications 2010 In this unique collection of texts translated into English for the first time we hear the genuine voices of the Paris Commune of 1871 Every Communard drew something different from the experience of the Commune and Communards allows all of them to have their say If socialism wasn't born of the Commune it is from the Commune that dates that portion of international revolution that no longer wants to give battle in a city in order to be surrounded and crushed but which instead wants at the head of the proletarians of each and every country to attack national and international reaction and put an end to the capitalist regime Edouard Vaillant a member of the Paris Commune Documents include the records of stormy meetings of the Commune deciding on the execution of hostages minutes of meetings of the First International throughout the siege as well as reminiscences of participants written down 25 years after the event Much of this would be new to French speakers it is all new for those who do not normally read in the French language No history of the Commune may be written in the future without reference to Communards Communards is available only through Erythros Press and Media and proceeds go towards the operations of the Marxists Internet Archive      **The History of the Paris Commune of 1871** Thomas March,1936      **History of the Paris Commune of 1871** Prosper Olivier Lissagaray,2011-09-27 Full version that includes introduction by Eleanor Marx preface appendices author's notes glossary of French terms and review by E Belfort Bax Lissagaray's Histoire de la Commune is the only authentic and reliable history as yet written of the most memorable movement of modern times It is true Lissagaray was a soldier of the Commune but he has had the courage and honesty to speak the truth He has not attempted to hide the errors of his party or to gloss over the fatal weaknesses of the Revolution and if he has erred it has been on the side of moderation in his anxiety not to make a single statement that could not be corroborated by overwhelming proofs of its truth Wherever it was possible the statements of the Versaillese in their Parliamentary Inquiries in their press and in their books are used in preference to the statements of friends and partisans and whenever the evidence of Communards is given it is invariably sifted with scrupulous care And it is this impartiality this careful avoidance of any assertion that could be considered doubtful which should recommend this work to English readers Eleanor Marx      History of the Paris Commune of 1871 Lissagaray,1976      History of the Paris Commune Of 1871
