A History of the State of Nevada Thomas Wren,1904 **A History of the State of Nevada** Thomas Wren,1904 A History of the State of Nevada: Its Resources and People Thomas Wren,2015-12-08 Thomas Wren was a 19th century Congressman from Nevada and he wrote this expansive history of Nevada covering its Indian origins early emigrants geography and more Profiles in Judicial Excellence David A. Hardy,2025-02-25 The Nevada judiciary began with territorial judges appointed by President Abraham Lincoln and transitioned to elected judges after statehood in 1864 The courts officiated by these judges have influenced the evolution of Nevada from a territory created in the chaos of mining litigation through the expansion of divorce gaming and tourism jurisprudence to what is now a vibrant venue for commercial development and corporate law Along the way the state s judges weighed in on issues of civil liberties water rights personal injury and a variety of other legal subjects affecting all Nevada citizens The collective work of these courts has solidified the rule of law and allowed Nevadans to live peacefully Until the publication of Judge David A Hardy s Profiles in Judicial Excellence Territorial and Supreme Court Justices of Nevada there has been no single source containing biographies of these influential figures from the state s history from 1861 to 1997 Hardy curates various sources and presents profiles of these judges in sequential order of their service He also examines the influence of territorial judges in the 1864 vote for statehood The Nevada judiciary has played an integral but often unrecognized role in shaping the unique character of the Silver State
