Against Progress Jessica Silbey, 2022-06-07 When first written into the Constitution intellectual property aimed to facilitate progress of science and the useful arts by granting rights to authors and inventors Today when rapid technological evolution accompanies growing wealth inequality and political and social divisiveness the constitutional goal of progress may pertain to more basic human values redirecting IP's emphasis to the commonweal instead of private interests Against Progress considers contemporary debates about intellectual property law as concerning the relationship between the constitutional mandate of progress and fundamental values such as equality privacy and distributive justice that are increasingly challenged in today's internet age Following a legal analysis of various intellectual property court cases Jessica Silbey examines the experiences of everyday creators and innovators navigating ownership sharing and sustainability within the internet eco system and current IP laws Crucially the book encourages refiguring the substance of progress and the function of intellectual property in terms that demonstrate the urgency of art and science to social justice today

The Associational Counter-Revolution: The Spread of Restrictive Civil Society Laws in the World's Strongest Democratic States Chrystie F. Swiney,2022-06-07 In an increasing number of countries around the globe representing all regime types in all regions with all levels of economic and military strength civil society's autonomy from the state its defining feature is diminishing While a variety of tools are used to restrict civil society organizations CSOs independence from the state an increasingly popular and dangerously effective vehicle for accomplishing this goal is the law Through the passage of legislation that imposes new restrictions on the ability of CSOs to operate free from excessive government scrutiny and control governmental actors are gaining greater control over the non governmental sector and in ways that benefit from the veneer of legality Perplexingly such laws are not only appearing in countries where they might be expected Azerbaijan Burundi China Egypt Ethiopia Russia Zimbabwe and countries throughout the Middle East Indeed they are increasingly appearing in democratic states too including strong fully consolidated democratic states with historically strong and independent civil society sectors Canada India New Zealand Spain Israel Hungary Poland and the US to name just a few Restrictive CSO laws which are unsurprising in authoritarian leaning states are uniquely puzzling in the context of democratic ones which have been the primary defenders funders and champions of a robust and independent civil society This book explores this concerning and intriguing phenomenon by documenting its full scope and spread within the world's strongest democratic states and attempting to explain its occurrence Using a combination of mixed methods theory process tracing interviews and statistical analysis this timely analysis helps to shed light on a global phenomenon that seems to be fueling the democratic backsliding visible in an increasing number of democracies throughout the world This exploration which bridges comparative and international law international relations democratic theory and state civil society relations attempts to make sense of this global contagion the closing space phenomenon which threatens to undermine one of cornerstones of any democracy a free and independent civil society in the years and decades ahead InfoWorld ,1996-06-03 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects InfoWorld ,1995-10-30 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects InfoWorld ,2000-12-04 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects **Middlebury Magazine** ,2009 *The Player Bookazine Issue 22 The Player*,2012-11-30 *Billboard* ,2004-12-04 In its 114th year Billboard remains the world's premier
