Classical Reception in English Literature David Hopkins, Charles Martindale, Norman Vance, Rita Copeland, Patrick Cheney, Philip R. Hardie, Jennifer Wallace, 2012 The present volume 3 is the first to appear of the five that will comprise The Oxford History of Classical Reception in English Literature henceforth OHCREL Each volume of OHCREL will have its own editor or team of editors Preface **The Examiner** ,1837 *Digressions in Classical Historiography* Mario Baumann, Vasileios Liotsakis, 2024-04-01 Although digressive discourse constitutes a key feature of Greco Roman historiography we possess no collective volume on the matter The chapters of this book fill this gap by offering an overall view of the use of digressions in Greco Roman historical prose from its beginning in the 5th century BCE up to the Imperial Era Ancient historiographers traditionally took as digressions the cases in which they interrupted their focused chronological narration Such cases include lengthy geographical descriptions prolepses or analepses and authorial comments Ancient historiographers rarely deign to interrupt their narration s main storyline with excursuses which are flagrantly disconnected from it Instead they often coat their digressions with distinctive patterns of their own thinking thus rendering them ideological and thematic milestones within an entire work Furthermore digressions may constitute pivotal points in the very structure of ancient historical narratives while ancient historians also use excursuses to establish a dialogue with their readers and to activate them in various ways All these aspects of digressions in Greco Roman historiography are studied in detail in the chapters of this volume **A Guide for the Study of British Caribbean History, 1763-1834** ,1932 **The Spectator** ,1838 A weekly review of politics literature theology and art **First Lines of the Theory and Practice of Philosophical Chemistry** John Berkenhout, 1788 **The history of the High school of Glasgow; containing the Historical account of the Grammar school, by J. Cleland, and A sketch of the history from 1825 to 1877, by T. Muir, ed. by J.C. Burns** James Cleland, 1878
