Rebels in Repose: Confederate Commanders After the War Allie Stuart Povall, 2019 The irascible Jubal A Early Robert E Lee s bad old man went to Canada after the war and remained an unreconstructed Rebel until his death Lee became president of Washington College and urged reconciliation with the North Braxton Bragg never found solid economic footing and remained mournful of slavery s demise until his own when a heart attack took him in Galveston The South s high command traveled dramatically divergent paths after the dissolution of the Confederacy Their professional reputations were often rewritten accordingly as the rise of the Lost Cause ideology codified the deification of Lee and the vilification of James Longstreet Allie Povall shares the stories of nineteen of these former generals touching briefly on their antebellum and wartime experiences before richly detailing their attempts to salvage livelihoods from the wreckage of America s defining cataclysm

Dorsey,2008-03-26 Successful presidential leadership depends upon words as well as deeds In this multifaceted look at rhetorical leadership twelve leading scholars in three different disciplines provide in depth studies of how words have served or disserved American presidents At the heart of rhetorical leadership lies the classical concept of prudence practical wisdom that combines good sense with good character From their disparate treatments of a range of presidencies an underlying agreement emerges among the historians political scientists and communication scholars included in the volume To be effective they find presidents must be able to articulate the common good in a particular situation and they must be credible on the basis of their own character Who they are and what they can do are thus twin pillars of successful rhetorical leadership Leroy G Dorsey introduces these themes and David Zarefsky picks them up in looking at the historical development of rhetorical leadership within the office of the presidency Each succeeding chapter then examines the rhetorical leadership of a particular president often within the context of a specific incident or challenge that marked his term in office Chapters dealing with George Washington John Adams Thomas Jefferson Theodore Roosevelt Woodrow Wilson Franklin Roosevelt Dwight Eisenhower Ronald Reagan and Bill Clinton offer the specifics for a clearer understanding of how rhetoric serves leadership in the American presidency This book provides an indispensable addition to the literature on the presidency and in leadership studies **Robert E. Lee and Me** Ty Seidule,2021-01-26 Ty Seidule scorches us with the truth and rivets us with his fierce sense of moral urgency Ron Chernow In a forceful but humane narrative former soldier and head of the West Point history department Ty Seidule s *Robert E Lee and Me* challenges the myths and lies of the Confederate legacy and explores why some of this country s oldest wounds have never healed Ty Seidule grew up revering Robert E Lee From his southern childhood to his service in the U S Army every part of his life reinforced the Lost Cause myth that Lee was the greatest man who ever lived and that the Confederates were underdogs who lost the Civil War with honor Now as a retired brigadier general and Professor Emeritus of History at West Point his view has radically changed From a soldier a scholar and a southerner Ty Seidule believes that American history demands a reckoning In a unique blend of history and reflection Seidule deconstructs the truth about the Confederacy that its undisputed primary

goal was the subjugation and enslavement of Black Americans and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it Through the arc of Seidule s own life as well as the culture that formed him he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies and how they embody a cultural gulf that separates millions of Americans to this day Part history lecture part meditation on the Civil War and its fallout and part memoir *Robert E Lee and Me* challenges the deeply held legends and myths of the Confederacy and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting *North Central Association Quarterly* ,1927 The official organ of the North Central Association of Colleges and Schools called earlier North Central Association of Colleges and Secondary Schools
