LOIS WEBER IN EARLY HOLLYWOOD

Lois Weber In Early Hollywood

Anita Sarkeesian, Ebony Adams

Lois Weber In Early Hollywood:

Lois Weber in Early Hollywood Shelley Stamp, 2015-05-01 Among early Hollywood's most renowned filmmakers Lois Weber was considered one of the era's three great minds alongside D.W. Griffith and Cecil B. DeMille. Despite her accomplishments, Weber has been marginalized in relation to her contemporaries who have long been recognized as fathers of American cinema. Drawing on a range of materials untapped by previous historians, Shelley Stamp offers the first comprehensive study of Weber's remarkable career as director, screenwriter, and actress. Lois Weber in Early Hollywood provides compelling evidence of the extraordinary role that women played in shaping American movie culture. Weber made films on capital punishment, contraception, poverty, and addiction, establishing cinema's power to engage topical issues for popular audiences. Her work grappled with the profound changes in women's lives that unsettled Americans at the beginning of the twentieth century, and her later films include sharp critiques of heterosexual marriage and consumer capitalism. Mentor to many women in the industry, Weber demanded a place at the table in early professional guilds, decrying the limited roles available for women on screen, and in the 1920s protesting the growing climate of hostility toward female directors. Stamp demonstrates how female filmmakers who had played a part in early Hollywood's bid for respectability were in the end written out of that industry's history. Lois Weber in Early Hollywood is an essential addition to histories of silent cinema, early filmmaking in Los Angeles, and women's contributions to American culture.

Lois Weber Anthony Slide, 1996 A major contribution to film scholarship and women's studies, this is the first critical biography of America's first native-born female director. It fully documents the career of Lois Weber as a director from 1908 through 1934 and notes the impressive number of short subjects and feature films that she made. Largely forgotten and often maligned, Lois Weber has received scant attention in recent years, yet this study points out that she was one of the cinema's genuine auteurs, not only directing but also writing and often starring in her films. She was one of the first committed filmmakers who utilized the motion picture to express her views on subjects as varied as birth control, abortion, capital punishment, hypocrisy, and racial intolerance. Lois Weber's career is an extraordinary one, arguably unsurpassed by any other woman director before or since. Acclaimed film historian Anthony Slide presents us with an important reminder of the role women played in the American silent film industry and places Weber's preeminence in film history.

Lois Weber Martin F. Norden, 2019-01-25 Lois Weber (1879-1939) was one of early Hollywood's most successful screenwriter-directors. A one-time Church Army worker who preached from street corners, Weber began working in the American film industry as an actress around 1908 but quickly ascended to the positions of screenwriter and director. She wrote, directed, starred in, edited, and titled hundreds of movies during her career and is believed to be the first woman to direct a feature film. At the height of her influence, Weber used her medium to address pressing social issues such as birth control, abortion, capital punishment, poverty, and drug abuse. She gained international fame in 1915 with her controversial *Hypocrites*, a complex film that featured full female nudity as part of its important moral

lesson Her most famous film *Where Are My Children* was the Universal studio's biggest box office hit the following year and played to enthusiastic audiences around the globe These productions and many others contributed to her standing as a truly world class filmmaker Despite her many successes Weber was pushed out of the business in the 1930s as a result of Hollywood's institutionalized sexism Shoved into the corners of film history she remained a largely forgotten figure for decades *Lois Weber Interviews* restores her long muted voice by reprinting more than sixty items in which she expressed her views on a range of filmic subjects The volume includes interviews articles that Weber wrote the text of a speech she gave and reconstructed conversations with her Hollywood coworkers *Lois Weber Interviews* provides key insights into one of our first great writer-directors her many films and the changing business in which she worked **Lois Weber** Lois Weber, 2019

The Aesthetics and Politics of Cinematic Pedestrianism Asli Özgen, 2025-10-01 *The Aesthetics and Politics of Cinematic Pedestrianism* *Walking in Films* offers a rich exploration of the cinematic aesthetics that filmmakers devised to reflect the corporeal and affective experience of walking in the city Drawing from literature in urban studies film theory and aesthetic philosophy it is the first monograph to approach the history of cinema from the perspective of walking A series of case studies providing nuanced analyses of widely referenced figures such as the flâneur flâneuse vagabond and nomad reveal how filmmakers articulated their objection to repressive structures through depictions of walking a common everyday act yet transgressive bold and indomitable Through the lens of Henri Lefebvre's theory of space Michel de Certeau's concept of pedestrian acts and Jacques Rancière's treatment of the politics of aesthetics *Walking in Films* traces how cinema evolved in conversation with the mobile body and the new images styles and techniques that emerged with it Winner of the 2023 Best Book Award from the Amsterdam School of Cultural Analysis ASCA **This Was Hollywood** Carla Valderrama, 2020-11-17

In this one of a kind Hollywood history the creator of Instagram's celebrated *ThisWasHollywood* reveals the forgotten past of the film world in a dazzling visual package modeled on the classic fan magazines of yesteryear From former screen legends who have faded into obscurity to new revelations about the biggest movie stars Valderrama unearths the most fascinating little known tales from the birth of Hollywood through its Golden Age The shocking fate of the world's first movie star Clark Gable's secret love child The film that nearly ended Paul Newman's career A former child star who at ninety three reveals her metoo story for the first time Valderrama unfolds these stories and many more in a volume that is by turns riveting maddening hilarious and shocking Drawing on new interviews archival research and an exhaustive library of photographs *This Was Hollywood* is a compelling and visually stunning catalogue of the lost history of the movies **American**

Literature in Transition, 1910-1920 Mark W. Van Wienen, 2017-12-28 *American Literature in Transition 1910-1920* offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters including Robert Frost Willa Cather T S Eliot Ezra Pound Gertrude Stein H D and Marianne Moore Gathering the voices of both new and established scholars the volume also reflects the diversity and contradictions of US literature of the 1910s Literature

itself is construed variously leading to explorations of jazz the movies and political writing as well as little magazines lantern slides and sports reportage One section of thematic essays cuts across genre boundaries Another section oriented to formats drills deeply into the workings of specific media genres or forms Essays on institutions conclude the collection although a critical mass of contributors throughout explore long term literary and cultural trends where political repression race prejudice war and counterrevolution are no less prominent than experimentation progress and egalitarianism The Oxford Handbook of American Film History Jon Lewis,2025 In a series of newly commissioned chapters The Oxford Handbook of American Film History offers a new and fully compelling discussion of American film as marked by significant moments of industrial and artistic change Many of the chapters are built upon primary sourced research while others detail aspects of form and style Together the chapters in this book show a history shaped by multiple theses and voices and interests *The Women Who Built Hollywood* Susan Goldman Rubin,2023-05-16 Discover the electrifying untold stories of the pioneering and groundbreaking women of Old Hollywood in this nonfiction book perfect for young movie buffs and budding feminists alike Includes a foreword written by Marvel Studios Black Panther and Black Panther Wakanda Forever Academy Award Winning Costume Designer Ruth E Carter While recent phenomena like OscarsSoWhite have reminded us that Hollywood can be an unfriendly place to people of color and to women they have been an integral part of the industry from the beginning In the early twentieth century women from all walks of life fought against sexism and racism to succeed in Hollywood as actors directors costume designers editors and stunt women From well known glamorous starlets like Mary Pickford and Lillian Gish to under appreciated trailblazers like Anna May Wong and Hattie McDaniel acclaimed author Susan Goldman Rubin shows that movies wouldn't be the same without the women who succeeded against the odds and built Hollywood from the ground up Filled with fascinating photographs and little known facts this rigorously researched book begins with a foreword by Ruth E Carter who won Academy Awards in 2019 and 2023 for her work on Marvel Studios Black Panther and Black Panther Wakanda Forever Making Stereo Fit Eric Dienstfrey,2024-01-16 Surround sound is often mistaken as a relatively new phenomenon in cinemas one that emerged in the 1970s with the arrival of Dolby Making Stereo Fit shows how Hollywood studios have instead been implementing surround sound techniques for the past century and argues that their endurance owes primarily to the long standing economic tension between stereophonic and monophonic sound Throughout the book Eric Dienstfrey analyzes newly discovered archival materials as well as a myriad of stereo releases from Hell's Angels 1930 to Get Out 2017 to examine how Hollywood's dependence on single channel sound left filmmakers unable to fully realize the aesthetic potential of surround sound Though studios initially experimented with stereo's unique affordances Dienstfrey details how film sound designers eventually codified a conservative set of surround sound conventions that prevail today despite the arrival of more immersive technologies **The Woman Who Dared** William M. Drew,2023-03-07 In the early days of motion pictures before superstars before studio conglomerates before even the advent of sound there was a

woman named Pearl White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White's rise to stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the youngest of five children in a small rural Missouri farm town White first began performing in high school She would eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often involved her own stunt work It was that same daring attitude that would put her on the map internationally as an actress From flying airplanes to swimming across rapid rivers to racing cars in serials like *The Perils of Pauline* 1914 White was undaunted by the demands of her onscreen career She went on to star in popular serial classics such as *The New Exploits of Elaine* 1915 *The Iron Claw* 1916 *The Fatal Ring* 1917 and *The Lightning Raider* 1919 As active socially as she was professionally White would also lend her audacious spirit to activism as she took part in the early feminist movement Her bravery and mastery of her craft made her a positive role model for suffragettes who battled for women's rights in the United States *The Woman Who Dared The Life and Times of Pearl White Queen of the Serials* is the first full length biography of this pioneering star In this study of film history and female agency Drew delves into the cultural impact of White's work and how it evolved along a concurrent trajectory with the social upheavals of the Progressive Era

The Wiley-Blackwell History of American Film, 4 Volume Set Cynthia Lucia, Roy Grundmann, Art Simon, 2011-12-12 Comprising over 90 essays and richly illustrated with over 200 images the Wiley Blackwell History of American Film provides a chronological portrait of American film history from its origins to the present day Taken as a whole the essays in this collection represent a comprehensive and nuanced overview of American film history from the intersecting perspectives of industry audiences aesthetics culture politics issues and ideology Unabashedly ambitious deeply historical and unprecedented in its multi faceted examination of film history this collection offers you Over 90 original essays written by an international cast of film scholars Discussions of the industrial and institutional components of film history including multiple modes of production distribution and marketing Investigations into the political social and economic factors that informed industry change and framed the reception of films Engaging close readings and in depth analysis of canonical and non canonical films Profiles of essential industry figures major directors stars and producers along with important figures outside the industrial mainstream An exploration of the history of film criticism and culture and central issues in American film historiography The most authoritative collection of fresh investigations available in one state of the art resource Selected by Choice as a 2013 Outstanding Academic Title

to defy history and change the world around them From Mongolian wrestlers to Chinese pirates Native American ballerinas to Egyptian scientists Japanese novelists to British Prime Ministers History vs Women will reframe the history that you thought you knew Featuring beautiful full color illustrations of each woman and a bold graphic design this standout nonfiction title is the perfect read for teens or adults who want the true stories of phenomenal women from around the world and insight into how their lives and accomplishments impacted both their societies and our own

Comic Venus Kristen Anderson Wagner, 2018-03-05 Examines the social and historical significance of women's contributions to American silent film comedy For many people the term silent comedy conjures up images of Charlie Chaplin's Little Tramp Buster Keaton's Stoneface or Harold Lloyd hanging precariously from the side of a skyscraper Even people who have never seen a silent film can recognize these comedians at a glance But what about the female comedians Gale Henry Louise Fazenda Colleen Moore Constance Talmadge these and numerous others were wildly popular during the silent film era appearing in countless motion pictures and earning top salaries and yet their names have been almost entirely forgotten As a consequence recovering their history is all the more compelling given that they laid the foundation for generations of funny women from Lucille Ball to Carol Burnett to Tina Fey These women constitute an essential and neglected sector of film history reflecting a turning point in women's social and political history Their talent and brave spirit continues to be felt today and **Comic Venus Women and Comedy in American Silent Film** seeks to provide a better understanding of women's experiences in the early twentieth century and to better understand and appreciate the unruly and boundary breaking women who have followed The diversity and breadth of archival materials explored in **Comic Venus** illuminate the social and historical period of comediennes and silent film In four sections Kristen Anderson Wagner enumerates the relationship between women and comedy beginning with the question of why historically women weren't seen as funny or couldn't possibly be funny in the public and male eye a question that persists even today Wagner delves into the idea of women's delicate sensibilities which presumably prevented them from being funny and in chapter two traces ideas about feminine beauty and what a woman should express versus what these comedic women did express as Wagner notes comediennes challenged the assumption that beauty was a fundamental component of ideal femininity In chapter three Wagner discusses how comediennes such as Clara Bow Marie Dressler and Colleen Moore used humor to gain recognition and power through performances of sexuality and desire Women comedians presented sexuality as fun and playful suggesting that personal relationships could be fluid rather than stable Chapter four examines silent comediennes' relationships to the modern world and argues that these women exemplified modernity and new womanhood The final chapter of **Comic Venus** brings readers to understand comediennes and their impact on silent era cinema as well as their lasting influence on later generations of funny women **Comic Venus** is the first book to explore the overlooked contributions made by comediennes in American silent film Those with an interest in film and representations of femininity in comedy will be fascinated by the analytical connections and thoroughly researched histories of these women

and their groundbreaking movements in comedy and stage

International Perspectives on Feminism and Sexism in the Film Industry Sarı, Gülşah, Çetin, Derya, 2019-11-22 Gender studies has maintained its status as a heavily researched field. However, women and their role in cinema is a vastly understudied topic that deals with various aspects of feminism and sexism. The function of women in the film industry has evolved over time and proven to be an interesting area of research regarding the transition from sexual icons to respected professionals. Feminism is a widely researched subject yet its specific application within cinema is an area that has yet to be studied. *International Perspectives on Feminism and Sexism in the Film Industry* is an essential reference source that examines the representation of women in cinema and provides a feminist approach to various aspects of the film industry including labor production and the cultural impact of women in motion pictures. Featuring research on topics such as violence against women, feminist film theory, and psychoanalysis, this book is ideally designed for directors, industry professionals, writers, screenwriters, activists, professors, students, administrators, and researchers in fields that include film studies, gender studies, mass media, and communications.

The Routledge Companion to American Film History Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12 Presenting new and diverse scholarship, this collection brings together original essays that explore American film history from a fresh perspective. Comprising an introduction and 34 chapters written by leading scholars from around the globe and edited by Pamela Robertson Wojcik and Paula J. Massood, this collection offers discussions of the American film industry from previously unexplored vantage points. Rather than follow a chronological format as with most film histories, this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film, including topics such as alternate archives, hidden labor histories, style, racialized technologies, cinema's material cultures, spectators, and fans, transnational film production, intermedial histories, history in and about films, and the historical afterlives of cinema. An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history.

American Cinema of the 1910s Charlie Keil, Ben Singer, 2009 It was during the teens that filmmaking truly came into its own. Notably, the migration of studios to the West Coast established a connection between moviemaking and the exoticism of Hollywood. The essays in *American Cinema of the 1910s* explore the rapid developments of the decade that began with D. W. Griffith's unrivaled one-reelers. By mid-decade, multi-reel feature films were profoundly reshaping the industry, and deluxe theaters were built to attract the broadest possible audience. Stars like Mary Pickford, Charlie Chaplin, and Douglas Fairbanks became vitally important, and companies began writing high-profile contracts to secure them. With the outbreak of World War I, the political, economic, and industrial groundwork was laid for American cinema's global dominance. By the end of the decade, filmmaking had become a true industry, complete with vertical integration, efficient specialization, and standardization of practices and self-regulatory agencies.

The Cinema of Stephanie Rothman Alicia Kozma, 2022-09-20 The rare woman director working in second-wave exploitation, Stephanie Rothman (b. 1936)

directed seven successful feature films served as the vice president of an independent film company and was the first woman to win the Directors Guild of America's student filmmaking prize. Despite these career accomplishments, Rothman retired into relative obscurity. In *The Cinema of Stephanie Rothman: Radical Acts in Filmmaking*, author Alicia Kozma uses Rothman's career as an in-depth case study, intertwining historical, archival, industrial, and filmic analysis to grapple with the past, present, and future of women's filmmaking labor in Hollywood. Understanding second-wave exploitation filmmaking as a transitory space for the industrial development of contemporary Hollywood that also opened up opportunities for women practitioners, Kozma argues that understudied film production cycles provide untapped spaces for discovering women's directorial work. The professional career and filmography of Rothman exemplify this claim. Rothman also serves as an apt example for connecting the structure of film histories to the persistent strictures of rhetorical language used to mark women filmmakers and their labor. Kozma traces these imbrications across historical archives. Adopting a diverse methodological approach, *The Cinema of Stephanie Rothman* shines a needed spotlight on the problems and successes of the memorialization of women's directorial labor, connecting historical and contemporary patterns of gendered labor disparity in the film industry. This book is simultaneously the first in-depth scholarly consideration of Rothman, the debut of the most substantive archival materials collected on Rothman, and a feminist political intervention into the construction of film histories.

Performing New Media, 1890-1915 Kaveh Askari, Scott Curtis, Frank Gray, Louis Pelletier, 2014-05-29 Essays examining the effects of media innovations in cinema at the turn of the twentieth century affected performances on screen as well as beside it. In the years before the First World War, showmen, entrepreneurs, educators, and scientists used magic lanterns and cinematographs in many contexts and many venues. To employ these silent screen technologies to deliver diverse and complex programs usually demanded audio accompaniment, creating a performance of both sound and image. These shows might include live music, song, lectures, narration, and synchronized sound effects provided by any available party: projectionist, local talent, accompanist, or backstage crew, and would often borrow techniques from shadow plays and tableaux vivants. The performances were not immune to the influence of social and cultural forces such as censorship or reform movements. This collection of essays considers the ways in which different visual practices carried out at the turn of the twentieth century shaped performances on and beside the screen.

The Routledge Companion to Media Industries Paul McDonald, 2021-10-04 Bringing together 49 chapters from leading experts in media industries research, this major collection offers an authoritative overview of the current state of scholarship while setting out proposals for expanding, rethinking, and innovating the field. Media industries occupy a central place in modern societies, producing, circulating, and presenting the multitude of cultural forms and experiences we encounter in our daily lives. The chapters in this volume begin by outlining key conceptual and critical perspectives while also presenting original interventions to prompt new lines of inquiry. Other chapters then examine the impact of digitalization on the media industries' intersections formed between industries or across geographic territories and

the practices of doing media industries research and teaching General ideas and arguments are illustrated through specific examples and case studies drawn from a range of media sectors including advertising publishing comics news music film television branded entertainment live cinema experiences social media and music video Making a vital and significant contribution to media research this volume is essential reading for students and academics seeking to understand and evaluate the work of the media industries Chapter 10 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>

Lois Weber In Early Hollywood Introduction

Lois Weber In Early Hollywood Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Lois Weber In Early Hollywood Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Lois Weber In Early Hollywood : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Lois Weber In Early Hollywood : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Lois Weber In Early Hollywood Offers a diverse range of free eBooks across various genres. Lois Weber In Early Hollywood Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Lois Weber In Early Hollywood Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Lois Weber In Early Hollywood, especially related to Lois Weber In Early Hollywood, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Lois Weber In Early Hollywood, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Lois Weber In Early Hollywood books or magazines might include. Look for these in online stores or libraries. Remember that while Lois Weber In Early Hollywood, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Lois Weber In Early Hollywood eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Lois Weber In Early Hollywood full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lois Weber In Early Hollywood eBooks, including some popular titles.

FAQs About Lois Weber In Early Hollywood Books

1. Where can I buy Lois Weber In Early Hollywood books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Lois Weber In Early Hollywood book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Lois Weber In Early Hollywood books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Lois Weber In Early Hollywood audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Lois Weber In Early Hollywood books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
