outsiders persecuted for being different like the X Men Brod blends humor and sharp observation as he considers the overt and discreet Jewish characteristics of these well known figures and explores how their creators integrated their Jewish identities and their creativity Captivating poignant and packed with historical insights this guided tour travels from the Passover Haggadah s exciting action scenes of Moses s superpowers through the Yiddish humor of Mad magazine to two Pulitzer Prizes awarded in one decade to Jewish comic book guys Art Spiegelman and Michael Chabon A witty insightful expos Publisher s Weekly Superman Is Jewish is an endlessly fascinating American saga about an immigrant group that used comic books to see itself in new empowering and laughable ways You don t even have to be Jewish to get a kick out of it
