Cleveland, 2019-09-24 *The Quiet Man* deals with a lot of today's contemporary issues including divorce extramarital relationships impact of divorce on a family single parenting depression overcoming a major disability romance conspiracy intrigue being screwed by corporate America losing the love of your life trials of being a parent and financial hardship *The Quiet Man* is based on a true story so a majority of the people can relate to these things will develop an interest in the story almost living part of the story saying Been there done that *The Quiet Man* not only tells about all the experiences but provides a recipe for a better life to correct the past errors and make America a

gentler place to live The Quiet Man also explores why society is out of control how today s problems are not running as rapidly one generation ago The book went through an evolution process at the time I started to write the book it was a way to win back my children that I thought I lost because of depression and divorce then it turned into a beautiful love story to win back the love of my life then in a turning point it took a more spiritual journey and it seemed like God had taken over writing the book with a recipe of the future ideal society and getting back to the basics Since the story is a beautiful love story many people will be lured into picking up the book to read an interesting novel it takes place in numerous locations but my fond memories are the ones of the East Coast of Connecticut and Rhode Island I think there are so many people out there looking for answers and The Quiet Man helps provide a number of the answers to making America a better place to live I believe a lot of our problems in today s society are relationship issues and if we can build a strong family nucleus then we can solve a lot of society s future problems

Whole Lotta Led: Our Flight With Led Zeppelin Ralph Hulett,Jerry Prochnicky,2005-09-01 In September 1968 four English lads gathered together for the first time in a small stuffy London rehearsal room in a basement filled with wall to wall amplifiers It was their first big tryout as musicians and each of them was nervous Would they come together as a band Or would they crash and burn becoming nothing but a rock footnote Then the room exploded with wailing chords howling vocals and a locked tight rhythm section a sonic assault of heretofore unknown power Here for the first time was Led Zeppelin the screaming rock guitar of Jimmy Page the scorching blues vocals of Robert Plant the driving jazz bass of John Paul Jones and the power drumming of John Bonham The session was amazing electrifying and stunning The Zepp had arrived There was no turning back And rock entertainment would never be the same again Told by the band the musicians the groupies and the fans themselves this chronicle of one of rock s greatest and most innovative bands comes alive with the hiss of turntables the sweat of the crowd at the Fillmore East the hustle and bustle of backstage life and the electricity of small clubs where rock history was about to be made It s a story about a band s influence on two impressionable guys and the countless others who came to get the Led out and stayed to become part of rock n roll legend With exclusive and rare photos
