The Soul Collector Rulon E. Cammack, 2012-07-01 From Rome's Coliseum to the temples of ancient Egypt with the fiery death of a Templar knight and the escape of concentration camp prisoners in Nazi Germany Nefaste's journal unveils the unseen battle of good and evil's impact on history before Janis Koppel is drawn into its vortex **Heart of the Gladiator** Lydia Pax, 2015-10-06 His love is rough but it cannot be tamed or denied Aeliana hates gladiators They're crude violent arrogant and will toss the skirts up of any available woman after a fight It may be her job to treat their injuries but she has no interest in being just another conquest So when the former gladiator champion Caius arrives in her life she is stricken by how immediately she falls for him He's a merciless killer in the arena not at all her type But he's also damnably handsome built like a god and turns Aeliana on like nothing she's felt before Being with a gladiator is always a bad idea Even if they're known the Empire over for the intensity of their bedchamber passions they have a lifespan about as long as a sword Aeliana's convinced that there's no way that someone who could have any woman in Rome would want to stay with her for long But his affection while rough seems completely genuine Caius's return to the arena is shrouded in mystery but the more Aeliana discovers the more she falls in love When his lifetime of violence catches up with them both Aeliana must decide whether she can afford to bare her heart to a man so effortlessly dangerous As it becomes obvious that their love shouldn't be Caius and Aeliana fight the odds like warriors in the arena Aeliana's strength will be tested again and again along with their love But it is her strength that will win the heart of a gladiator *The Crucible of Man* Mark J. Moe, 2014-12-23 Just an innocent young boy when Roman invaders killed his father Carpathimos fights back when they return to his island paradise to take away his sister and mother While fighting to save them he is captured and taken back to Rome where he is forced to kill in the Circus Maximus He fights to win his freedom and ironically finds love and friendship in a place he never expected Deceit murder and suspicion surround him as the Roman Republic fights to establish itself as a Mediterranean power catching Carpathimos in the middle Finally allowed to return home he must fight to survive one last time but what he loses sends him back to Rome with vengeance in his heart *The Crucible of Man* vividly portrays one man's evolution from innocent fisherman to a warrior capable of changing the very future of Rome As one man fights to preserve his innocent life amid the islands of the Mediterranean the growing powers from Rome and Carthage force him to evolve into the very thing he despises most a warrior *Messalina* Heinrich Stadelmann, 1930 **Issues & Events**, 1917 **The Academy**, 1910 *Issues and Events*
