Shakespeare, Marlowe, Jonson J.R. Mulryne,Takashi Kozuka,2016-04-01 A remarkable resurgence of interest has taken place over recent years in a biographical approach to the work of early modern poets and dramatists in particular to the plays and poems of Shakespeare Marlowe and Jonson The contributors to this volume approach the topic in a manner that is at once critically and historically alert They acknowledge that the biographical evidence for all three authors is limited thus throwing the emphasis acutely on interpretation In addition to new scholarship the essays are valuable for their awareness of the challenges posed by recent redirections of critical methodology Scepticism and self criticism are marked features of the writing gathered here **A-Way with It!** Eckhard Gerdes,2002 A way with it Simply put that's what this is all about The authors in this volume of *The Journal of Experimental Fiction* have demonstrated time and again that they have a way with words Literature is ultimately driven by language and these folks understand how to use language better than most They prod it ply it tweak it fry it sling it smash it caress it destroy it uphold it defend it laugh at it play with it split it spit on it cajole it stir it freeze it melt it stomp on it and hold it up for all to see as if it were the most precious thing in the entire world Maybe it is **The Serpent and the Flame** Rhonda Swanson,AI,2024-11-11 Constantinople 1453 The air hangs heavy with jasmine and the stench of decay The Ottoman siege tightens its stranglehold threatening to crush the Byzantine Empire But in the shadowed alleys whispers of the Serpent's Prophecy slither through the terrified populace foretelling a power older than the encroaching armies the Flame a living embodiment of an ancient magic capable of salvation or cataclysm Esra a

young thief with haunted violet eyes navigates the city's underbelly her past a tapestry of betrayal and loss She trusts no one relying only on her cunning to survive Unbeknownst to her the blood of the last emperor flows through her veins whispering of a destiny she has yet to embrace Within the opulent Ottoman camp Grand Vizier Mahmud a master manipulator plots to use Esra as a pawn to unlock the Flame's destructive potential He is aided by G lbahar a sorceress whose beauty masks a venomous ambition her motives shrouded in an enigmatic past connected to the Serpent's Prophecy They believe they can control Esra They underestimate the serpent's bite Hassan an Ottoman soldier is haunted by the brutal reality of conquest A chance encounter with Esra ignites a spark of defiance within him drawing him to her untamed spirit He chooses to protect her unaware that their intertwined fates hold the key to Constantinople's survival Their search for the Flame becomes a desperate race against time leading them through hidden cisterns clandestine libraries and opulent palaces They uncover a conspiracy far deeper than the siege itself a web of ancient rivalries that threatens to unravel both empires Their fragile alliance is tested by a dangerous secret Hassan is bound to G lbahar by a blood oath a pact that could force him to betray Esra to deliver her and the Flame into the sorceress's clutches As Esra's power awakens intertwining with the Flame's destructive energy she is haunted by visions of a past she never knew of an empire steeped in potent magic She must choose embrace her birthright as the rebel queen foretold in prophecy or risk everything for a future with Hassan a future where love might blossom amidst the ruins The final battle is waged not only on the ramparts but within Esra's own soul As Ottoman cannons thunder against the Theodosian Walls Hassan must choose between duty and love The Flame's power surges threatening to consume Esra to consume the city Will she unleash the serpent's fury or forge a new path a path of love resilience and hope The fate of Constantinople hangs in the balance poised on the edge of a blade forged in fire and magic

Vergil and Elegy Alison Keith, Micah Y. Myers, 2023-04-28 Born in 70 BCE the Roman poet Vergil came of age during a period of literary experimentalism among Latin authors These authors introduced new Greek verse forms and metres into the existing repertoire of Latin poetic genres and measures foremost among them being elegy a genre that the ancients thought originated in funeral lament but which in classical Rome became first person poetry about the poet lover's amatory vicissitudes Despite the influence of notable elegists on Vergil's early poetry his critics have rarely paid attention to his engagement with the genre across his body of work This collection is devoted to an exploration of Vergil's multifaceted relations with elegy Contributors shed light on Vergil's interactions with the genre and its practitioners across classical medieval and early modern periods The book investigates Vergil's hexameter poetry in relation to contemporary Latin elegy by Gallus Tibullus and Propertius and the subsequent reception of Vergil's radical combination of epic with elegy by later Latin and Italian authors Filling a striking gap in the scholarship *Vergil and Elegy* illuminates the famous poet's wide ranging engagement with the genre of elegy across his oeuvre

Altick,2012-10-29 In July 1861 London newspapers excitedly reported

two violent crimes both the stuff of sensational fiction One involved a retired army major his beautiful mistress and her illegitimate child blackmail and murder In the other a French nobleman was accused of trying to kill his son in order to claim the young man s inheritance The press covered both cases with thoroughness and enthusiasm narrating events in a style worthy of a popular novelist and including lengthy passages of testimony Not only did they report rumor as well as what seemed to be fact they speculated about the credibility of witnesses assessed character and decided guilt The public was enthralled Richard D Altick demonstrates that these two cases as they were presented in the British press set the tone for the Victorian age of sensation The fascination with crime passion and suspense has a long history but it was in the 1860s that this fascination became the vogue in England Altick shows that these crimes provided literary prototypes and authenticated extraordinary passion and incident in fiction with the shock of actuality While most sensational melodramas and novels were by lesser writers authors of the stature of Dickens Thackeray George Eliot Trollope Hardy and Wilkie Collins were also influenced by the spirit of the age and incorporated sensational elements in their work **Sounding Our Way Home** Susan
