Hawkins, MD/PHD, 2024-02-06 In this profound book based on a popular audio program Dr David Hawkins gives a primer on his world famous map of consciousness that will help the reader embark on their own journey to an advanced state of consciousness Dr Hawkins's research is based on a well established science called kinesiology which has to do with the testing of an all or none muscle response stimulus A positive stimulus generates a strong muscle response and a negative stimulus results in a demonstrable weakening of the test muscle Clinical kinesiological muscle testing as a diagnostic technique has been verified widely over the past 25 years David Hawkins M D Ph D conducted a 29 year study that demonstrated that the human body becomes stronger or weaker depending on a person's mental state He created a scale from 1 to 1 000 that mapped human consciousness Furthermore he demonstrated that this map can be used as a blueprint to reach higher states of consciousness that can be identified simply by applying a small amount of pressure on an outstretched arm Not only that but this simple method has also been demonstrated to be an effective tool for instantly calibrating human consciousness Dr Hawkins created a scale of consciousness based on current discoveries in advanced theoretical physics and the nonlinear dynamics of chaos theory And this map of consciousness now makes it possible for anyone to advance toward higher levels of enlightenment faster than ever imagined In this book you ll

learn how to Advance your level of consciousness and your understanding of human behavior just by learning the map of consciousness Gain instant access to information that is beyond the capacity of all the world s computers Detect the exact point in any complex system where the least effort brings about the greatest result Understand the power of a simple attitude adjustment as well as the consequences of various emotional states Learn how people who calibrate high on the map of consciousness can raise the energy level and calibration of thousands of others just by being in their presence Heal yourself of illness or addiction by reaching the state of consciousness in which it vanishes Learn which foods environments companies books etc are harmful low energy and which are beneficial high energy And much more **St. Mark** James Hastings,1910
