and babies playgrounds and schools that span entire blocks Raffi is enchanting as well as terrifying and like all parents Gessen wants to do what is best for his child But he has no idea what that is Written over the first five years of Raffi s life Raising Raffi examines the profound overwhelming often maddening experience of being a dad Gessen traces how the practical decisions one must make each day intersect with some of the weightiest concerns of our age What does it mean to choose a school in a segregated city How do you instill in your child a sense of his heritage without passing on that history s darker sides Is parental anger normal possibly useful or is it inevitably authoritarian and destructive How do you get your kid to play sports And what do you do in a pandemic when the whole world seems to fall apart By turns hilarious and poignant Raising Raffi is a story of what it means to invent the world anew *It Worked for Me!* Editors of Parents Magazine,2004-01-05 A selection of parenting tips and techniques from Parents magazine offers solutions to everthing from preemie care and potty training to clothing and discipline **Discipline Without Distress** Judy Arnall,2012-09-21 Discipline that you and your child will feel good about Spanking and time outs do NOT work At last a positive discipline book that is full of practical tips strategies skills and ideas for parents of babies through teenagers and tells you EXACTLY what to do in the moment for every type of behaviour from whining to web surfing Includes 50 pages of handy charts of the most common behaviour problems and the tools to handle them respectfully Parents and children today face very different challenges from the previous generation Today s children play not only in the sandbox down the street but also in the world wide web which is too big and complex for parents to control and supervise As young as aged four your child can contact the world and the world can contact them A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor Traditional discipline methods no longer work with today s children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline You need new discipline tools **My Ex Is Driving Me Crazy** Aleta Koman,Edward Myers,2008-02-01 My Ex Is Driving Me Crazy provides useful compassionate advice about the chronic burdens that often result from conflicts with difficult demanding vindictive or even dangerous spouses It comprises of ten chapters that cover denial guilt communication damage control kids and more *Without Spanking Or Spoiling* Elizabeth Crary,1993 If you feel trapped between extremes when you re disciplining your children you ll appreciate the time tested advice in this classic guide You don t have to spank your children to get them to behave and you don t have to worry that you re spoiling them either Drawing from four major child guidance philosophies parent educator Elizabeth Crary provides dozens of examples and exercises to help you find the best way to rear your children Without Spanking or Spoling will also help you understand *The 7 Stages of Motherhood* Ann Pleshette Murphy,2010-05-19 This refreshingly candid parenting book puts mothers not children center stage Ann Pleshette Murphy provides a reassuring wise and often wildly funny mix of anecdotes and advice as she describes the seismic shifts in women s lives and identities from pregnancy through a child s graduation She draws on countless conversations with mothers and with child development experts she has met as
