James Merrill Langdon Hammer,2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son s life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a

brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record *The Medievalist Impulse in American Literature* Kim Ileen Moreland,1996 What does the existence of this impulse in its various idiosyncratic manifestations reveal about these writers and American culture *Zion's Herald* ,2005 **The Illustrated London News** ,1917 **Latin American Writers on Gay and Lesbian Themes** David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe Logics of Worlds Alain Badiou,2019-01-24 *Logics of Worlds* is the sequel to Alain Badiou's masterpiece *Being and Event* Tackling the questions that had been left open by *Being and Event* and answering many of his critics in the process Badiou supplements his pioneering treatment of multiple being with a daring and complex theory of the worlds in which truths and subjects make their mark what he calls a materialist dialectic Drawing on his most ambitious philosophical predecessors Leibniz Kant Hegel Kierkegaard Lacan Deleuze Badiou ends this important later work with an impassioned call to live for an Idea Edinburgh Companion to Jane Austen and the Arts Hannah Moss,Joe Bray,2024-05-31 Jane Austen was a keen consumer of the arts throughout her lifetime *The Edinburgh Companion to Jane Austen and the Arts* considers how Austen represents the arts in her writing from her juvenilia to her mature novels The thirty three original chapters in this
