Ferguson, 2024-03-29 *Living Wisely and Well in the Evening of Life* addresses the increasing difficulty of those in our culture who are in the evening of life who must manage a rapidly changing society and a new world being born almost daily There are several dimensions of life which have become especially difficult for those in this position including loneliness the sense of being set aside in a changing culture the cost of medical care the deep conflicts in our political life and the increasing sense of not being able to cope Deep universal values articulated by the apostle Paul in his letter to the Corinthian church must be claimed and internalized Paul artfully guides those from this church in a complex setting by suggesting a more excellent way in which to live with complexity and challenge Then and now we need to cultivate a thoughtful and credible faith in our mature years second we must sustain the well founded hope rooted in our faith in a loving God especially necessary in the evening of life In keeping with the teaching of Jesus we should make unconditional love the central value in life It is possible to flourish in the evening of life undergirded by faith hope and love The Human Odyssey Duncan S. Ferguson, 2025-04-10 These are perilous times and people need to prepare themselves to navigate these troubled days by staying informed about their challenging environment structuring their lives in a healthy way and striving for a level of maturity that allows them to cope and live in a manner that brings stability and deep peace People can arrive at a place of stability and purpose by engaging in a life that is patterned after the life and teachings of Jesus called by the first generation of Christians the Way of Jesus The central value of this pattern of living is unconditional love a commitment to the truth and a life of integrity and seeking a more just society that leads to a culture of peace and collaboration People need to prepare themselves for this way of life by cultivating a deep spirituality that will empower them to thoughtfully carefully and fully commit themselves to the divine mission of love **The Radical Invitation of Jesus** Duncan S. Ferguson, 2019-07-02 The book addresses the way we are able to understand the radical invitation of Jesus The invitation is to those who heard

Jesus in the first century the intervening centuries and those in the twenty first century urging them to turn away from a life that is self centered and to seek a life that is God centered accepting the reign of God in one s life rather than wealth pleasure power and fame Jesus says that we are to seek first the kingdom of God and all of our basic needs will be met being transformed and finding meaning and purpose in our lives The invitation is radical in that it calls on us to give up the accepted norms and values of our culture and world and give ourselves to a life of integrity and truthfulness love and compassion and justice and peace We are invited to find our true identity to be filled with and transformed by the God of love and to become one who is filled with grace and truth as Jesus was
