Loving The Little Years Motherhood In The Trenches:

Loving the Little Years: Motherhood in the Trenches Rachel Jankovic, 2010-11-26 I didn't write this book because mothering little ones is easy for me I wrote it because it isn't I know that this is a hard job because I am right here in the middle of it I know you need encouragement because I do too In this book Rachel Jankovic mother of seven offers practical advice on how to persevere in the high but demanding call of motherhood This is not a tender reminiscence from someone who had children so long ago that she only remembers the sweet parts This is a small collection of thoughts on mothering young children for when you are motivated for when you are discouraged for the times when discipline seems fruitless and for when you are just plain old tired The opportunities for growth abound here but you have to be willing You have to open your heart to the tumble As you deal with your children deal with yourself always and first This is what it looks like and feels like to walk as a mother with God

Adoption in Galatians and Romans Erin M. Heim, 2017-03-06 In a new study on the Pauline adoption metaphors Erin Heim applies a wide array of contemporary theories of metaphor in a fresh exegesis of the four instances of adoption huiotesia metaphors in Galatians and Romans Though many investigations into biblical metaphors treat only their historical background Heim argues that the meaning of a metaphor lies in the interanimation of a metaphor and the range of possible backgrounds it draws upon Using insights from contemporary theories Heim convincingly demonstrates that the Pauline adoption metaphors are instrumental in shaping the perceptions emotions and identity of Paul's first century audiences

Peanut Butter and Dragon Wings Shari Zook, 2021-07-06 Longing for permission to be real about your own needs and struggles Permission granted As good Christian moms we're not supposed to ask for much Jesus meets all our needs and we're the light of the world to everybody else right Wrong Shari Zook appeared to be an overachieving supermom who deftly supported her pastor husband and their congregation looked after their children and cared for foster children through the ups and downs of placements But inside her world was growing increasingly desperate as she struggled with the grief of miscarriage parenting a difficult child and spiraling depression In her darkest hour Zook let go of her need to appear super human and reached out to receive God's unfolding grace With humor and artistry Peanut Butter and Dragon Wings gives us permission to step out from behind the appearance of rose filtered perfection and embrace the authenticity of honest need and human limitations In the book's twelve chapters you'll find twelve practical ways to reach for a faith that includes doubt and holiness that includes failure

Mothers at the Margins Jenny Jones, Marie Porter, Lisa Raith, 2015-06-18 In the last two decades maternal scholarship has grown exponentially. Despite this, however, there are still numerous areas which remain under researched, one of which is the experiences of marginalised mothers. Far from being a sentimental feel good account of mothering, this collection speaks with the voices of mothers through the application of a matricentric lens. In particular, it speaks with the voices of those mothers who feel alienated or stigmatised, mothers who have been rendered Expect Something Beautiful Laura Booz, 2021-10-05 Is motherhood only about self sacrifice? Or will it bless your life too? You know that motherhood makes high demands. Yet you know it's worth the cost because it benefits your child. On some grand level, it's also good for civilization. And of course, it's a calling from God. So is that what you're doing here, pouring out your life for God and others while getting little in return, except the consolation that you've done the right thing? Laura Booz wants you to expect something more out of motherhood, something truly beautiful. You might be asking, Will I lose myself in motherhood? Compromise my career? Squander my potential? What's the point of all that unseen and uncelebrated serving, cleaning, caring, snuggling, disciplining, and praying? Laura wants to help you see that behind all the giving that mothers do is the receiving of something special, a profound growth in God that is cultivated through motherhood's everyday ups and downs. Let this book give you a renewed vision of motherhood, to see God's good purpose for you as a mother, a woman, and a follower of Christ. *The Life We Never Expected* Andrew Wilson, Rachel Wilson, 2016-06-14 Sometimes life throws you a curveball. With raw honesty, they share about the challenges they face on a daily basis, all the while teaching what it means to weep, worship, wait, and hope in the Lord. Offering encouragement rooted in God's Word, this book will help you cling to Jesus and fight for joy when faced with a life you never expected. *Come On Home* Jessica Smartt, 2025-09-23 Family doesn't have to be perfect to be strong.
