de fait authentique mais non infaillible. Autant on est prompt à affirmer que les fidèles doivent fournir une telle soumission, autant on est discret quand il s'agit d'expliquer la nature de cet acte. Contre une position volontariste qui confond la soumission religieuse avec l'obéissance et une position minimaliste qui n'accorde qu'une considération respectueuse sans adhésion intérieure, l'auteur tient compte la fois du caractère intellectuel de l'acte du fidèle et du caractère non infaillible de la doctrine enseignée. L'exploration méthodique de cette troisième voie permet une articulation harmonieuse du rapport entre le fidèle et le magistère simplement authentique. Cette tude doctrinale s'appuie sur une analyse historique minutieuse des textes du concile Vatican II et sur l'usage de la doctrine de la soumission religieuse jusqu'à nos jours. Elle constitue une proposition nouvelle pour clarifier une notion discutée et ambitionne d'ouvrir un champ de réflexion pour la question cruciale de la réception des enseignements du dernier concile. Le père Augustin Marie Aubry, maître des novices de la Fraternité Saint Vincent Ferrier, est titulaire d'une licence de philosophie et d'une licence canonique de théologie.

Fundamental Theology Guy Mansini, 2018-01-12. Fundamental Theology is fundamental because it is about how we see the mysteries of God, his Christ, the Church, and the sacraments of the Church. It is about how these things show themselves, how God shows them to the eyes of faith. If Christ and the Church are things shown, fundamental theology is about the very showing itself. Talking about the showing poses the risk, however, of losing sight of the things shown and drifting off into abstractions. By continually referring back to the things shown, this book will answer many of the questions that arise when we ask about the nature and necessity of Scripture and Tradition, Magisterium and Dogma, Faith and its praeambula. In this second volume of the Sacra Doctrina series, Fr. Guy Mansini takes the reader on a tour through the essence and meaning of Catholic fundamental theology. This title will serve as an excellent textbook for upper-level undergraduate, graduate, and seminary students. Book jacket.

Pentecostalism, Secularism, and Post Christendom Bradley Truman Noel, 2015-12-14. If only we were a Christian country again! Christians, particularly those in the West, often lament their loss of influence in modern politics and culture. It seems that everywhere one turns, Christendom in the West is dealt another blow, with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance. Pentecostalism, Secularism, and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post-Christian ethos of Western culture. In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture, this work will argue that, counter-intuitively, the death of Christendom, if properly addressed, may in fact herald the arrival of the Church's finest hour.
