vibrant life long sexual relationship between committed lovers and partners Being in a committed loving relationship always seem so easy and natural when we first set our feet on the path Hand in hand we walk into the future as a couple swept away in our love for one another believing that forever isn't such a long time in the company of the one we adore But life in a long term romantic relationship isn't as easy as many of us have been led to believe It's not just about the compromise listening and understanding Let's be honest and admit that it's also about the sex Sexuality in a long term relationship or marriage can dwindle over the years If we have children their arrival can change the nature of our sexuality First and foremost is the inevitable transformation of our roles from life long lovers to parents and guardians There's also the stress of child rearing The baby who won't go to sleep The dirty nappies The shift of focus from each other to the new life that demands our care and attention Some say sexuality between long time partners can be re-ignited by spicing things up Costumes saucy talk and sex aids can come into play to perhaps make things more fun But what's really at the basis of your love What's really the true cornerstone of your relationship Is there something deeper you can draw on as a resource to lift up your sexuality and make it as enduring as the love you share It can be hard to believe that your sex life can be improved and changed by words written in a text but it can In fact improving your sex life can be done without help at all but you need to know yourself 100% if you ever expect to please someone else inside and outside of the bedroom There are so many ways in which each of us are pleased via sexually Finding out what pleases each and every one of us is the difficult part The Kama Sutra states that all of us can find pleasure and desire in one another but only if certain factors are taken into account This book covers Is Sexual Compatibility important Overcome sexual anxiety shyness and insecurity Turn a boring relationship in an exciting couple game The Top sexual fantasies revealed How to create the right intimacy The best sex positions for couples Increase sexual passion with dirty sexy games Top foods to enhance stamina and libido in your sex With this book you will be able to identify and implement steps that will change the way you look at yourself life and sex You will feel born again with the willingness and want to change or start anew Having a great sex life isn't just a fairytale or something you see in movies or pornography A great sex life is achieved by hard work on your part and life changing practices that are kept up with throughout your life Nothing in life is easy and this is no exception to that Buy It NOW And Let Your Customers Get Addicted To This Amazing Book Kama Sutra Madelyn Carol Dervos,2000 *Kama Sutra* Benson Hiles,2016-09-13 KAMA SUTRAMaster the Ancient Style and Techniques of the Art of Love Making Now that you've learned the basics of the book that has revolutionized couples for two thousand years it's time to take an in depth look into the ancient and indisputably effective techniques Find out all there is to know before trying out all the positions as well as tips on how to avoid the mistakes beginners are most likely to make Prepare to stretch your body and the way of think about sex your partner and your very definition of desire as you try these techniques to bring your relationship to it's full potential Here Is A Preview Of What You ll Learn Learn everything one needs to begin practicing the techniques Learn innovative approaches to foreplay Learn how to master the art
