Mahavira Manoj Jain, 2014-07-18 Imagine a world where no one gets hurt a world where no one is teased or bullied a world where there is no fear or anger Six centuries before the birth of Jesus in the faraway land of India there lived a great spiritual teacher name Mahavira which means very brave who imagined just such a world He showed kindness to every living being and emphasized the practice of nonviolence compassion and forgiveness The religion of Mahavira was called Jainism Mahavira was born a prince but because he had such deep love and respect for all living creatures he renounced his wealth and power to become a wandering monk The Jain teachings of Mahavira became very popular He taught three important lessons that one should have love and compassion for all living things that one should not be too prideful of one's own point of view because the truth has many sides and that one should not be greedy and should avoid attachment to possessions Today Jainism has more than 10 million adherents throughout the world In following the example of Mahavira Jains practice a vegetarian diet and are committed to sound ecological and environmental practices Mahavira's lessons on nonviolence and compassion still have a profound impact around the globe and he is credited with influencing Mahatma Gandhi who in turn inspired Martin Luther King Jr Beautifully brought to life by the delicate paintings of Demi and the powerful yet simple narrative of nationally recognized writer Manoj Jain the story of Mahavira's life will provide a shining example of how one spiritual teacher's noble ideals can echo throughout the ages
