matrimony system Irene knows nothing about the place she's going or the man she will marry. She only knows the name of the homestead at the end of the railroad line Fiddler's Green. What she finds shakes her to her core. Three generations of McGuire men live and work together on the remote ranch in the farthest reaches of Montana. They've been alone so long they are at each other's throats with non-stop arguing over every detail of their lives. When Irene finds herself betrothed to the aging grandfather Jack McGuire, she grieves for her dreams of a happy home with children. Jack, on the other hand, hasn't given up hope so easily. Through his plan to bring mail order brides to the ranch for himself, his son, and his grandson, he hopes to stem the tide of animosity tearing their family apart. Can Irene and her fellow mail order brides unite this family in a common purpose? On top of everything else, the autumn season comes bearing down on them. The family must work together to round up their cattle herds and drive them to the stock yards before the winter weather strikes. Can they set aside their differences long enough to accomplish this one last desperate act? Or will bitterness and hurt tear them apart and lead them all to disaster?

The only way out of my horrible life is to become a mail order bride. But will my new cowboy husband be willing to take a chance on love? Tia, I'm trying to start my life over as someone new. But with no skills or education, my options are pretty limited. Until I see the ad to become a mail order bride. Suddenly, I have hope. Maybe I can escape and live free. The only problem is I'm pretty sure my husband doesn't like me at all. The more time I spend with him, the more I can't help falling in love. But will my new cowboy husband break my heart? Ranger Grandpa was a diehard romantic. The kind of guy who believed in forever and soulmates. Too bad he's made marriage a condition for inheriting the family ranch. Now I'm stuck with a mail order bride. I didn't expect my bride to be so young and innocent. I didn't expect this age gap or the things her curves would do to me. I certainly didn't expect to be attracted to her. But will a beautiful curvy woman like Tia be willing to accept a disfigured grumpy cowboy like me? The Scott Brothers are fierce cowboys in need of mail order brides so they can claim their rightful inheritance. But that's not the only thing these rough and dirty cowboys plan to claim. Each book in the Courage County Brides series is standalone with NO cheating and NO cliffhangers. Just a sweet sexy HEA so you can get your swoon on.
