Maine Politics And Government Politics And Governments Of The American States:

Maine Politics & Government Kenneth T. Palmer, G. Thomas Taylor, 1992-01-01 Remote and thinly populated Maine has been insulated from many of the demographic and economic trends of states to the south But Maine Politics and Government shows how rapidly this situation is changing In the 1970s and 1980s Maine once dependent on agriculture manufacturing and maritime trades underwent extensive commercial development High tech businesses and fashionable suburbs concentrated in the southern counties began to assert a new political force The authors of this book view these changes in the context of the state's long history Although Maine's population and economy have become more diversified its public policies more complex and its government more professionalized and centralized there remains a remarkable degree of stability in political attitudes And Maine still operates under its original 1819 constitution the amendments added over time have largely maintained its original structure while allowing for changing conditions This book illuminates the workings of Maine's executive legislative and judicial branches and its relations with the federal government as well as local concerns without losing sight of the Pine Tree State's uniqueness *Maine Politics and Government* Kenneth T. Palmer, 2009 Remote and thinly populated Maine was long insulated from many of the demographic and economic trends of states to the south Maine Politics and Government traces recent changes in the state's system as agriculture manufacturing and maritime trades have ceded dominance to high tech businesses extensive commercial development and an expanding governmental sector

Colorado Politics and Policy Thomas E. Cronin, Robert D. Loevy, 2012-10-15 Survey after survey reveals that many Coloradans believe that the U S government is too big too wasteful and too intrusive Yet Colorado is arguably one of the most federally subsidized states in the union with forests national parks military bases and research laboratories benefiting from the federal government's largesse A concise history of Colorado's constitution and central political institutions Colorado Politics and Policy offers a probing analysis of the state's political cultures It shows how the state in many ways a template of the deeply contrary politics of the nation puts political power into the hands of an ever more polarized electorate increasingly inclined to put the concerns of government to the test of the citizen initiative Colorado Politics and Policy is the result of broad gauged and sophisticated research which includes author interviews with citizens and officials across the state three specially commissioned statewide public opinion surveys and extensive interviews with governors legislators judges lobbyists interest group leaders and leading political analysts This fresh and engaging interpretation is essential reading for those who want to understand Colorado's major election trends chief public policy and budget challenges and this distinctively purple state's unique political history *Politics in the American States* Virginia Gray, Russell L. Hanson, Thad Kousser, 2017-03-28 Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA's State Politics and Policy Section Politics in the American States Eleventh Edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the 50 states Fully updated for all major developments in the study of state level

politics including capturing the results of the 2016 elections the authors bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems Students will appreciate the book s glossary the fully up to date tables and figures and the maps showcasing comparative data Alaska Politics and Public Policy Clive S. Thomas,Laura Savatgy,Kristina Klimovich,2016-09-15 Politics in Alaska have changed significantly since the last major book on the subject was published more than twenty years ago with the rise and fall of Sarah Palin and the rise and fall of oil prices being but two of the many developments to alter the political landscape This book the most comprehensive on the subject to date focuses on the question of how beliefs institutions personalities and power interact to shape Alaska politics and public policy Drawing on these interactions the contributors explain how and why certain issues get dealt with successfully and others unsuccessfully and why some issues are taken up quickly while others are not addressed at all This comprehensive guide to the political climate of Alaska will be essential to anyone studying the politics of America s largest and in some ways most unusual state Political Encyclopedia of U.S. States and Regions Donald P. Haider-Markel,Michael A. Card,2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography,1978 *Politics in the American States* Thad Kousser,Jamila Michener,Caroline Tolbert,2024-11-05 Politics in the American States Twelfth Edition brings together the high caliber research expected from this trusted text with comprehensive and comparative analysis of the fifty states Fully updated for all major developments in the study of state level politics the editors and chapter contributors keep pace with the transformation of American states and their study Library of Congress Subject Headings Library of Congress,2006 *State Capture* Alex Hertel-Fernandez,2019-01-03 Over the past forty years conservatives have mastered the art of pursuing policy change across the states while similar liberal efforts have floundered Using a diverse array of original evidence State Capture explains why and how conservatives developed cross state political clout while progressives did not Library of Congress Subject Headings Library of Congress. Cataloging Policy and Support Office,2006 Library of Congress Subject Headings: F-O Library of Congress. Subject Cataloging Division,1988 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1885 **Governing States and Localities** Kevin B. Smith,Alan Greenblatt,2019-01-03 The trusted and proven Governing States and Localities guides you through the contentious environment of state and local politics and focuses on the role that economic and budget pressures play on issues facing state and local governments With their engaging journalistic writing and crisp storytelling Kevin B Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different The Seventh Edition is thoroughly updated to account for such major developments as state vs federal conflicts over immigration reform

school shootings and gun control the impact of the Donald Trump presidency on intergovernmental relations and issues of central interest to states and localities and the lingering effects of the Great Recession

The Saturday Review of Politics, Literature, Science and Art, 1885

The State of the States Carl E. Van Horn, 2005-12-09 In this era of renewed federalism state governments take center stage advancing ambitious legislative agendas pioneering innovative public policy and providing much needed political leadership The devolution revolution of the 1990s transferred many of the nation's principal domestic programs from federal to state management often without transferring the necessary funding This combination of expanded responsibilities and deficient resources has left many states in financial turmoil unable to fulfill policy promises At the same time escalating concerns over national security have prompted the federal government to reclaim more authority The State of the States captures both the tensions and opportunities at the forefront of state politics This fully up to date fourth edition assembles the preeminent voices on the most important topics facing state governments today Important new coverage includes the debilitating challenges governors face in an era of ballooning gubernatorial stature and performance expectations reflected in the removal of Gov Gray Davis D CA and the departures of Gov John Rowland R CT and Gov Jim McGreevey D NJ the adoption of legislative term limits by referenda illustrating the unmerited public distrust of the legislature and the consequent movement of legislators to other public offices the reputation of state courts for liberal activism with controversial verdicts on such issues as abortion and same sex marriage as well as decisions in favor of tort reform and the rights of criminal defendants the growing emphasis on performance measures as an accountability tool for state agencies the rigorous standards and uniformity of the federal No Child Left Behind Act for which states are paying the price the development of Temporary Assistance for Needy Families TANF which devolved authority for welfare programs back to the states after nearly six decades of federal control the continuous debate over health policy including the decades long struggle to remedy health insurance coverage gaps and the more recent push to promote embryonic stem cell research

Niles' Weekly Register ... Hezekiah Niles, 1840

Modern Budget Forecasting in the American States Michael J. Brogan, 2013-12-05 This book by Michael J Brogan examines government budgeting through the lens of public budget forecast errors In examining this aspect of the budgetary process Brogan helps readers understand levels of political and financial risk that policymakers are willing to accept in estimating the likelihood of accurate budget projections This title is noteworthy in its innovative accessible approach to examining the budget process through an analysis of forecast errors Unlike most public budgeting books which focus primarily on the technical aspects of budgeting or on the politics of the budget process this book bridges the technical and political aspects of budgeting thereby providing a more comprehensive analysis of contemporary issues and research in public budgetary matters In light of the current financial crisis in the United States this book is crucial for providing readers with a comprehensive review of the limits of budget projections and how political forces shape the forecasting process Throughout the text readers are presented with relevant

state specific mini cases The mini cases highlight some of the difficulties in projecting future revenue and spending patterns as well as the political conflict that can ensue The empirical findings mini cases and arguments presented throughout this book are intended to empower readers giving them the expertise needed to better understand how uncertainty in public budget forecasts affects the budget process Ultimately this knowledge can help citizens connect the financial management of a state with its governing patterns

The Summary ,1912 Governance And The Changing American States David Hedge,2018-02-12 This book chronicles the kinds of changes that have occurred on the demand and supply sides of American state government It assesses the consequences of those developments for the quality of statehouse democracy and the ability of state governments to govern responsibly and effectively
