*Steeltown Magnolia* Melissa F. Miller, 2023-02-27. *Maisy Farley*, a Georgia peach transplanted to Pittsburgh, has won the hearts of her audience as their favorite hometown news anchor for seven years running. Then she dared to report the truth about the influential and eccentric billionaire who bought the TV station where she's worked for over a decade. Now she's out of a job but sitting on a pile of money thanks to the golden parachute in her contract. It's the perfect time to follow her dream of being an independent investigative reporter. But Maisy's plans are falling apart. The station's delaying her payout and her savings are dwindling fast. Worse yet, she can't seem to land her first story. Then she encounters the ex-wife of Landon Lewis, a brilliant but troubled tech genius who jumped to his death. His still-reeling ex-wife insists he was pushed. Why would he kill himself when he was on the cusp of receiving a one hundred million dollar windfall? Maisy has no idea, but she knows one thing: she's just found her story. All she has to do is follow the money and stay alive long enough to break the story. Longtime readers of the Sasha McCandless legal thrillers have known Maisy for years. Now Sasha's irrepressible friend takes center stage in a mystery of her own. *Steeltown Magnolia* will both delight Sasha fans and serve as the perfect chance for new readers to dive into the interconnected world of Melissa F. Miller's mysteries and thrillers. [Color and Shape Books for All](#)

**Duke Ellington's Music for the Theatre** John Franceschina, 2001-03-29 Duke Ellington's son Mercer has said that his father was frustrated in only one area of musical ambition his desire to do his own Broadway show Though Ellington wrote many theatrical pieces he was never able to achieve success as a composer for the stage and today his stage shows receive

little attention from music historians Nevertheless these works occupied a significant place in Ellington s creative imagination and many of the ideas he employed in their composition found their way into his other work Here is the first book to acknowledge Duke Ellington s contribution to the stage It offers a survey of every theater piece Ellington is known to have worked on during his lifetime beginning with the 1925 revue The Chocolate Kiddies and ending with the unfinished street opera Queenie Pie This large body of work includes full length musicals African American revues ballets and incidental music The plot of each work is described and the score analyzed according to its dramatic function in the piece Musical phrases are reproduced in the text and associations with other well known Ellington compositions are noted An appendix provides a chronological listing of Ellington s shows with song titles conveniently listed under each
