California Women and Politics Robert W. Cherny, 2011 An edited volume exploring the role women played in California politics in the late nineteenth and early twentieth centuries

Beyond Nations John R. Chavez, 2009-06-29 Beyond Nations traces the evolution of peripheral ethnic homelands around the North Atlantic from before transoceanic contact to their current standing in the world political system For example Megumaage homeland of the Micmac is transformed into the French colony of Acadia then into the British colony of Nova Scotia and subsequently into the present Canadian province Centrally Professor Chavez tracks the role of colonialism in the transformation of such lands but especially the part played by federalism in moving beyond the ethnic and racial conflicts resulting from imperialism Significantly Chavez gives attention to the effects of these processes on the individual mind arguing that historically federalism has permitted the individual to sustain and balance varying ethnic loyalties regionally nationally and globally Beyond Nations concludes with a discussion of an evolving global imagination that takes into account migrations borderlands and transnational communities in an increasingly postcolonial and postnational world

Metropolitan Latinidad A. K. Sandoval-Strausz, 2025-04-30 A wide ranging collection of essays that centers Latinos in the history of American cities and suburbs Latino urban history has been underappreciated not only in its own right but for the centrality of its narratives to urban history as a field A scholarly discipline that has long scrutinized economics politics and the built environment has too often framed race as literally Black and white This has resulted in a fundamental misunderstanding of the full social canvas of American cities since at least the early twentieth century Traversing metropolitan areas like Atlanta Chicago El Paso Fort Worth Los Angeles Miami and New York this collection of essays brings together both established and emerging scholars including long time urbanists and academics working in the fields of Latino borderlands political landscape and religious history Organized at different scales including city suburb neighborhood and hemisphere this impressive body of work challenges long standing narratives about

metropolitan America The contributors Llana Barber Mauricio Castro Eduardo Contreras Sandra I Enr quez Monika Gosin Cecilia S nchez Hill Felipe Hinojosa Michael Innis Jim nez Max Krochmal Becky M Nicolaides Pedro A Regalado Iliana Yamileth Rodriguez and Thomas J Sugrue engage a diverse range of subjects such as urban rebellions the suburbanization of Latinos affordable housing labor the built environment transnationalism place making and religious life The scholars also explore race within Latino communities as well as the role that political and economic dynamics have played in creating Latino urban spaces After reading this book you will never see American cities the same way again

Working Women into the Borderlands Sonia Hernández,2014-02-18 In Working Women into the Borderlands author Sonia Hern ndez sheds light on how women s labor was shaped by US capital in the northeast region of Mexico and how women s labor activism simultaneously shaped the nature of foreign investment and relations between Mexicans and Americans As capital investments fueled the growth of heavy industries in cities and ports such as Monterrey and Tampico women s work complemented and strengthened their male counterparts labor in industries which were historically male dominated As Hern ndez reveals women laborers were expected to maintain their proper place in society and work environments were in fact gendered and class based Yet these prescribed notions of class and gender were frequently challenged as women sought to improve their livelihoods by using everyday forms of negotiation including collective organizing labor arbitration boards letter writing creating unions assuming positions of confianza trustworthiness and by migrating to urban centers and or crossing into Texas Drawing extensively on bi national archival sources newspapers and published records Working Women into the Borderlands demonstrates convincingly how women s labor contributions shaped the development of one of the most dynamic and contentious borderlands in the globe

Baby Boom Rusty Monhollon,2010-02-09 This engaging collection of essays explores the many ways Americans of every race class gender and political leaning experienced the Baby Boom This revealing new work goes inside the Baby Boom generation to look at how everyday people within the boomer demographic changed and were changed by the course of American history Baby Boom People and Perspectives does not focus on one single historic moment but rather follows different groups within the Baby Boom generation as they move through history From the generation gap of the 1950s to the civil rights movement from Vietnam and the counterculture of the 1960s to Watergate and the Reagan era and from the Clinton years to September 11th and the recent resurgence of conservatism this insightful social history shows how Baby Boomers across the breadth of American society experienced and impacted the same historic events differently

Land Uprising Simón Ventura Trujillo,2020-03-31 Land Uprising reframes Indigenous land reclamation as a horizon to decolonize the settler colonial conditions of literary intellectual and activist labor Sim n Ventura Trujillo argues that land provides grounding for rethinking the connection between Native storytelling practices and Latinx racialization across overlapping colonial and nation state forms Trujillo situates his inquiry in the cultural production of La Alianza Federal de Mercedes a formative yet understudied organization of the Chicanx movement of the 1960s and

1970s La Alianza sought to recover Mexican and Spanish land grants in New Mexico that had been dispossessed after the Mexican American War During graduate school Trujillo realized that his grandparents were activists in La Alianza Written in response to this discovery Land Uprising bridges La Alianza s insurgency and New Mexican land grant struggles to the writings of Leslie Marmon Silko Ana Castillo Simon Ortiz and the Zapatista Uprising in Chiapas Mexico In doing so the book reveals uncanny connections between Chicanx Latinx Latin American and Native American and Indigenous studies to grapple with Native land reclamation as the future horizon for Chicanx and Latinx indigeneities
