geniuses who have spent all their lives behind a computer. Actually, nothing could be further from the truth. Earning significant income using the Internet doesn't require any specific skill or a long history of becoming familiar with computers or the Internet itself. There is an incredible amount of information available to you to help you get started with your own profitable online business, no matter how much or how little experience you may have. With this book, we hope to familiarize you with some of the basic information needed to get your Internet business up and running, including such topics as what kind of business to choose, how to design a website, and even attracting visitors to the website once it's built. Make sure to take your time and study each section carefully, because throughout the book, we have provided you with detailed information and website links that will give you all the resources necessary to get started today. So what are we waiting for? Let's get started.
