Go Green Get Lean Go Green Get Lean:

Go Green Get Lean Kate Geagan, 2009-03-17 Over the past 20 years America has been steadily marching toward a diet that is more drenched in fossil fuel than any key nutrient Experts estimate that it now takes roughly 7 to 10 calories of fossil fuel energy to bring one calorie of food energy to the American plate Not only have our eating habits turned us into an increasingly overweight society but the alarming truth is that our food choices are having as much of an impact on the planet as the cars we drive **Go Green Get Lean** is the perfect eating plan for our time Revealing easy to follow steps anyone can take to eat for a healthy body and planet and drop up to 9 pounds in the first 2 weeks Kate Geagan helps readers see the questionable value of convenience foods and explains why going green doesn't require a drastic vegan overhaul Because there are many nutritional benefits to be drawn from some non plant based food choices she points readers to the best selections including occasional splurges they can enjoy in good conscience In learning to make truly LEAN choices Kate offers the following straightforward formula Before eating food ask yourself Local or global What was the Energy used to bring it to my plate Include processing packaging transportation and temperature of food Animal or plant Plant foods are greener Is this Necessary Is this food critical to my health and weight goals This trailblazing work the first to offer a specific weight loss plan along with the promise of a lowered carbon footprint makes it possible for readers to help the environment and their waistlines at the same time *InfoWorld*, 1994-09-05 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects [The Healthy Pregnancy Book](#) William Sears, Martha Sears, 2013-09-24 From America's leading authorities in childcare comes the definitive guide to having a healthy pregnancy and a healthy baby The Healthy Pregnancy Cookbook guides expectant mothers and fathers through all stages of pregnancy from preconception through birth focusing on how to enhance the health of mother and baby How to grow a smarter and healthier baby How your baby is developing and how you may be changing both emotionally and physically Eating right for two with a helpful list of pregnancy superfoods Exercise and keeping fit during your pregnancy Concerns and questions you may have about test and technology genetic counseling and childbirth options How to protect the womb environment and recognize potential household hazards Advice on working while pregnant Choosing the right healthcare provider and childbirth class The transition into parenthood And much more Written in the Searses trademark reassuring tone that makes their books long term bestsellers The Healthy Pregnancy Book is the must have resource to fit the greater demands of today's savvy parents **Christianity in a Time of Climate Change** Kristen Poole, 2020-04-17 What does climate change have to do with religion and spirituality Even though a changing environment will have a dire impact on human populations affecting everything from food supply to health to housing the vast majority of Americans do not consider climate change a moral or a religious issue Yet the damage of climate change a phenomenon to which we all contribute through our collective carbon emissions presents an unprecedented ethical problem one that touches

a foundational moral principle of Christianity Jesus s dictate to love the neighbor This care for the neighbor stretches across time as well as space We are called to care for the neighbors of the future as well as those of the present How can we connect the ethical considerations of climate change the knowledge that our actions directly or indirectly cause harm to others to our individual and collective spiritual practice Christianity in a Time of Climate Change offers a series of reflective essays that consider the Christian ethics of climate change and suggest ways to fold the neighbors of the future into our spiritual lives as an impetus to meaningful personal social and ultimately environmental transformations **Green Meat?** Ryan M. Katz-Rosene,Sarah J. Martin,2020-04-16 Green Meat takes a multifaceted approach to the issues of industrialized agricultural production and its relationship to climate change It argues that one singular solution to this problem would undermine the myriad of ways that meat is consumed across regional and cultural lines Although meat may always be a global staple of the human diet it is not too late to re examine current food systems through the framework of sustainability and ecological prosperity Alternatives Journal **InfoWorld** ,1994-08-29 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *Making Nutrition Your Business* Faye Berger Mitchell,Ann M Silver,2011 This is an essential resource for any dietetics professional considering a switch to private practice consulting writing or speaking This book discusses what it takes to go solo how to structure your business money management essentials office space tips how to use technology to rev up your practice marketing ideas that will get you noticed and more **PC Mag** ,1994-09-13 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **The Magic Pill** Matt O'Brien,2011 What if there was a pill to help you live longer feel better look younger and improve almost every aspect of your life with zero bad side effects wouldn t you want to take it The Magic Pill will prove to you that with a little time energy and effort you can have all of these benefits and much much more Unveiling the most current scientific information on aging exercise nutrition and supplementation this first guidebook of its kind provides a comprehensive self help approach to living longer improving your health and finding the happiness that resides within us all Matt O Brien takes you on an exciting journey filled with motivation education and inspiration Read this book You will take control of your health and your life will never be the same again Praise from Matt O Brien s Clients I know for certain that I would not have arrived at this fantastic place in my life without Matt O Brien as my coach motivator and friend Thank you Matt for giving me my health fitness and life back Jill Gear Matt O Brien s expertise and ability to teach have transformed my attitude towards exercise and nutrition I have a new passion for my health Brandice Lardner **Eat Right When Time Is Tight** Patricia Bannan,2010-07-07 Too many women eat on the run We don t have time to cook we don t have time to bring a healthy lunch from home we don t even have time to read a menu That s no way to eat and no way to live Eat Right When Time is Tight includes the latest health and nutrition
