Zaire,2018-08-06 Do you ever wonder if God is pleased with your conduct at work Have you ever felt embarrassed by your lack of faith when dealing with coworkers Does your current leadership style line up with the word of God This book is a great read to gauge if your leadership is Kingdom leadership It demonstrates how men and women of faith should engage in the marketplace There is nothing worse than meeting a sour Christian You know the ones who are mean spirited bitter messy and unforgiving This is not the life God wants His people to live He wants His people to live a faith filled life that draws people to Him This book was directly inspired by the Spirit of God and it will challenge your core beliefs on how you engage in Kingdom Leadership

The Evolution of Teaching Rich Waters,2014-10-08 The Evolution of Teaching invites teachers to rethink what teachers and schools do The need to rethink the role of teachers is driven by an abundance of data showing that teachers are increasingly unhappy with their work Most critically they feel a loss of control over their work and their profession as they witness teacher voices being marginalized by impersonal authorities outside of schools who dictate more and more of what teachers and schools must do The antidote to this condition is the evolution of teaching Teachers need to take charge and lead change They need to redefine teaching and schooling in such a way that it authentically supports student learning and teacher learning They must redefine it in a way that supports every teacher s desire to have a personal impact on students while having control over their own work stakeholder standing as respected professionals and a full career of professional growth As A Guidebook to the Advancement of Teaching Teacher Education and Happier Careers this text will assist teachers in reconceiving the profession of teaching in ways that will make it more personally satisfying while acknowledging that the work of teachers in the twenty first century

must necessarily be different from what we have now legacy practices of standardization left over from the industrial age

Emotional Intelligence Ryan

James, 2018-04-18 Have you ever wondered why some people seem to get all the good things life offers while others stand on the sidelines and wonder why not? Some people will tell you it's ambition, IQ, and position that determines life's outcomes. What if I told you there was something within each of us that promises greater happiness and success? It's called Emotional Intelligence, and it is available to you by simply reading this book and following the six steps presented in these pages.

Feelings are what drives us in life. We do what we do to change how we feel. We buy a luxury car so that we can feel powerful and important. We lose weight so that we can feel beautiful and admired. Although you think you can do things to change or avoid feelings, in truth, you already possess those things for which you dream. All you must do is gain awareness and change your perceptions and act on the feelings that will give you greater Emotional Intelligence. It doesn't take wealth, beauty, or brains to increase your Emotional Intelligence. It takes awareness, knowledge, and practice, which won't cost you anything but a little time. So journey with me through the pages of this book and together let's discover how you can have all the good things life has to offer.
