Predestination:The Pharaoh Account of Grace Joachim P.C. Acolatse Jr.,2014-02-13 If youve heard and believed that God predestinated some to eternal life and hardened Pharaohs heart youve been misled Biblical predestination doctrine is the opposite of theological writings on the subject After studying this book you will no longer accept Augustinian Lutheran Calvinist theology passing for doctrine Predestination The Pharaoh Account of Grace is a biblical treatment of predestination doctrine Part One refutes the theological arguments as un Scriptural and opens up understanding of predestination doctrine with detailed explanation of the call justification and glorification available to man It avoids the pitfall of equating Gods foreknowledge with omniscience and the consequent conclusion that God predestinated only those he knew from eternity would become believers Part Two clarifies the Exodus account which has negatively impacted Gods character and showcases his spontaneous and patient outpouring of grace upon Pharaoh From initially foretelling the end from the beginning God graciously repairs Pharaohs heart ten times as he in turn frustrates the grace Predestination The Pharaoh Account of Grace exposes the controversy stirred up concerning predestination since the fourth century as a work of the devil which must be destroyed Undoubtedly this definitive work on the subject will be of tremendous benefit to clergy lay leaders academia and through them the body of Christ Contexts for Amos M.
