The Dawning of the End of Time I. Charles Williams, 2012-02-02 In recent months we have seen record droughts floods cold and heat There have been natural disasters such as tornadoes and earthquakes that have not only been devastating but occurring in places never seen before We are even experiencing uncertainties in world economics and having conflicts in every region of the globe The nation's governments are powerless or clueless in their quest to come up with solutions Because man has no answers himself he looks everywhere and to everything but the Holy Scriptures The Author shows how this search for answers in these uncertain times will lead man to accept anyone including the one that the Bible calls the Anti Christ the Man of Sin This is the question for you could these uncertain times be a prelude to the event known to Christians as the Second Coming of Christ Jesus said that no man knows the day nor the hour when the Son of Man shall come But Jesus the Prophets and the Apostles gave us some insight into the times called the Last

Days They spoke of prophecies that would be fulfilled and signs that would be present to announce the Last Days A question was asked why study prophecy Well we study prophecy because it is part of the Holy Scriptures In 2 Timothy Chapter 3 verses 16 and 17 it says All scripture is given by inspiration of GOD and is profitable for doctrine for reproof for correction for instruction in righteousness That the man of GOD may be perfect thoroughly furnished unto all good works This means that we should study all of the scriptures and not the ones that we choose to study Remember the story of the wise men that came from the East looking for the one that would be born King of the Jews These men came to the area because they had studied prophecy concerning birth of Jesus It was impressed upon my spirit that we do not spend hardly any time studying Bible Prophecy and I wrote this book to change that The wise men studied prophecy to find out about the First Coming of Jesus Christ and we should study prophecy and look for the signs of the Second Coming of Jesus Christ Are we experiencing those times now I have given various scriptures that point towards the Last Days to try and at least initiate a conversation about the times that we are experiencing With each day that passes and with each discovery or news event they all point toward that blessed event For the Church this is a time for rejoicing and rededication to what we were saved to do But for those who do not know Christ as Savior it is a time to take a spiritual inventory of your life to see if you are in the faith Jesus also said in the Last Days there shall be false prophets and false Christ Just recently the world was in an uproar because a preacher was predicting the end of the world but he only turned out to be a false prophet His false prediction only caused the world to scoff at and doubt the Coming of Christ Even though there are those that scoff at the thought of the end of the world as we know it the end will come whether we choose to believe it or not The signs spoken of in the Bible are here with us but they will only benefit those who take notice and come to GOD our only protection
