

PART II

Teaching the God and Family Curriculum

Introductory Lesson

AS YOU PREPARE

Scripture: Joshua 24:14-15

Learnings For This session

- Become acquainted with the participants.
- Become familiar with the content and expectations of the *God and Family* program.
- Start on their faith journey of a relationship between God, their families and themselves.
- Begin to make the connection between a pizza and a family.

Brief Bible Background

Joshua was the leader of the Hebrew people after Moses had died. For a generation, under Moses, the people of God had wandered in the wilderness. Finally, led by Joshua, they crossed into the wonderful land that God had promised them. But as the years went past and they settled the land, they found that other people who worshiped other gods already lived there. So the Hebrew people were exposed to other religions and other gods. As Joshua grew older, he wanted to make sure that the Hebrew people were committed to God. He made a stirring speech to them, leaving no doubt about whom he and his family were following. Later in the chapter, he challenged his people to make the same commitment to God, and they did.

What You Will Need

Pencils, small pieces of paper, bookmarks (page 37) printed for each learner (if you will have them decorate and laminate the bookmarks, you will need markers and clear Contact® paper), paper and yarn or string for name tags; handouts of "Schedule" (page 37)

Personal Reflection

Read this entire lesson and skim the counselor's guide for all remaining lessons to give yourself a "feel" for what the *God and Family* program strives to accomplish. This introductory lesson is different from the others in format; it sets the stage for succeeding lessons. Pray that God will use you to guide the learners into a closer relationship with God, Jesus Christ and their families.

SESSION GUIDE

As students arrive, ask them to make name tags (or offer them a name tag you have already made). Your name tags can be pizza shapes (round or like a slice). Hole punch them and use yarn to have the students hang the tags around their necks. After each one has a name tag, gather the learners together around a table. As your time allows, do one or more of the following activities.

Get Acquainted Activity 1: Hand out two small pieces of paper to each one and ask them to put a statement about their families on each. You may want to suggest things such as, "I have four brothers," or "My mother bakes wonderful banana bread," or "I have an adopted sister from China." Ask the learners to fold the paper pieces in half and put them in a small bowl. Have them take turns taking a slip of paper out and guessing whose family is being described.

Get Acquainted Activity 2: Using this list of statements, have the students stand up (and remain standing) if

- their birthday is in October
- they are an only child
- they have gone to the same school for all their school days
- they like bananas
- they dislike liver
- they have a dog or cat
- they have another pet of some kind
- they are the youngest in the family
- they are the oldest
- their dad is a good cook
- they like to read
- they have gone fishing
- they help with chores at home

By now probably everyone will be standing; if not, make up statements so that everyone stands. Now read this list of statements and have the participants sit down if

- they made their bed this morning
- they had a bologna sandwich for lunch
- they know how to properly fold a flag
- they like math
- they can do a somersault or cartwheel
- they can keep a secret
- they are wearing blue
- their mom mows the grass
- they have read a book just for fun lately
- they have brown hair
- they have brown eyes
- they are wearing a belt

By now most of the learners should be seated again; if not make up a few more statements to complete the game.

Get Acquainted Activity 3: Have the learners go around the group and in unison say everyone's name in a loud voice. Then repeat each one's name using these expressions in turn: softly, sadly, excitedly, madly, lovingly, and backwards (this is sneaky, because all you are really asking them to do is turn around and say the names while facing backwards!). After everyone stops giggling, it is time to go to the next section.
