God Chicks Holly Wagner,2003-04-01 Holly Wagner believes it is no accident that you and I are alive and on the earth at this time in history what an awesome privilege it is Granted terror is alive and real on the planet but so are we and the purposes for which we have been placed here The King of heaven is waiting for women to take their places on the earth we have a job to do Proverbs 31 8 9 says it like this we are to open our mouths for those who can t speak for themselves open our mouths for those who are left defenseless we are to judge righteously and administer justice How can we do this if we are not confidently living our life as God s girl on the earth In God Chicks Holly encourages women to embrace their God given roles such as the Warrior Chick the Friend Chick and the Just b u Chick We are invaluable says Holly and more women need to see themselves this way We do not have to strive or force our way we just have to confidently walk as we were created daughters of a King
