Red Letter Revolution Colin McCartney, 2008-04-15 The Red Letter Revolution is about a global movement of Christians who are taking the actions of Jesus and his exact words the red letters in some versions of the Bible seriously Colin challenges his readers to join this movement by responding to the poverty racism economic disparity violence classism sexism and all other forms of injustice and oppression all around us like Jesus did Through biblical exposition rousing stories and practical application Colin demonstrates that we can follow the radical words of Jesus only with the love of God and the power of the Holy Spirit This book draws our allegiance to the mission of Christ to the poor and oppressed

and calls for us to act It will truly challenge the way we view others and how we should respond to the oppression and injustice present in our world Once Loved Always Loved Andrew Hronich,2023-02-23 In this book Andrew Hronich endeavors to synthesize the many strands of orthodox doctrine into a single telos ultimate reconciliation While a great deal of ink has already been spilled on this subject this book addresses ponderances previously overlooked due to a lack of ecumenical dialogue between the differing streams of Christian tradition Ancient lights such as Origen Gregory of Nyssa and Clement of Alexandria are given a voice to speak again to the masses whilst contemporary thinkers such as Thomas Talbott David Bentley Hart and Eric Reitan are unleashed upon the unwitting world of Christian philosophy Stagnant tradition has hindered the church from abiding by its historic motto semper reformanda but with its ecumenical voice this book calls on Protestants Catholics and Orthodox adherents alike to acknowledge apokatastasis panton the salvation of all beings as the orthodoxy it always has been **Sinners in the Presence of a Loving God** R. Zachary Manis,2019-06-03 In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the several facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Sanctification Lyle W Lange,1999-07-01 What is sanctification So what is sanctification exactly If asked for a definition could you give one Christians lead lives of faith trusting in this core principle even though they may not entirely understand what it means or what it looks like in daily life Sanctification defines and explains what sanctification means in easy to understand terms It also examines the contrast between justification and sanctification as well as why sanctification is dependent upon justification and why it all matters for the Christian In this book you ll gain a better understanding of what the Bible teaches about sanctification and how it impacts your daily life as a Christian The People s Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People s Bible series these books are written for all Christians in an easy to read manner The authors of The People s Bible are all pastors and professors who have had years of experience teaching others about the Bible *When Did My Life Become a Game of Twister?* Mary Pierce,2009-05-26 Right foot red Bad hair day Left hand yellow You re caught in a traffic jam or a tragedy Once upon a time you had the game of life all planned Your dreams would come true and everyone would live happily ever after So when did life become a game of Twister Someone else is spinning the dial calling the shots and today hassles and heartaches have you twisted like a pretzel physically mentally emotionally and spiritually Ouch Take a time out from all your running working caring and trying to keep it all together and sit down for a grin break that will help untwist you Mary Pierce offers laughter and wisdom for women everywhere God cares about all of us who are trapped in the Twister game of life He cares about you And he wants to give you a better outlook and new moves that will free you up inside and out Includes discussion questions at the end of each chapter The Lord Gives and I Take Rosalie Cowick,2023-03-17 God is so so good He never stops showering his love his mercy and his compassion on us in so many many ways The Lord gives and I take It doesn t sound too

good for us does it I could spend the rest of my life writing about what God gives to each one of us even to those who do not walk with the Lord His hand is continually pouring out Most of us do not think about it or we ignore it And if we do we look at it with very dim sighted eyes Much of our time is spent on the expectations of what we want from him But he gives and he gives and he gives And the reality is we take and we take and we take We take all that God supplies with very little thankfulness to him We are greedy and we expect so much and the truth is we are so undeserving Can we ever pay God back Never never never But we can recognize appreciate embrace and be thankful for what he has done is doing and will do by honoring him and living our lives in his love and in service to him worshipping and giving him all the glory and bringing to light his word to those who don't know him I stand in awe and amazement at the Lord's grace for humankind He holds all together for us Be brought back to the beauty the awe and the wonder of God May we change the casualness in our hearts and minds that we take toward him and begin to develop a view of his awesome mercy and grace Join me in plunging into the depths of his goodness

Enjoy the 5G Network of God GERARD ASSEY, 2020-08-01 There is so much of talk these days about the 5G technology that is claimed to be over a 100 times faster than the current 4G network by transforming the way we work learn communicate and travel While all this is on the positive side a panel of scientists recently published a warning of the potential health risks that pervasive electromagnetic field EMF exposure may bring and this has already begun to stir a lot of controversy especially after the onset of COVID 19 The good news is that we as Christians have a much better 5G life to enjoy but sadly many have not tapped into When we connect through God's 5G

network we are assured of what He promises in John 10 10 I came that you may have life and have it more abundantly Unlike the frustration we all experience at sometime when we are let down with our local service providers we have the assurance of God s 5G Network connectivity that never disrupts A promise that can never be broken and a promise that stands for life In terms of God s 5G Network they are HIS Goodness HIS Greatness HIS Glory HIS Grace and HIS Gifts These are the signals that connect us to tap into and FEAST on the abundant life HE has promised for us How do we connect into these signals and tap into this 5G life is what this book will hopefully help you do Enjoy the 5G Network of God is not just another Christian self help book though it will help you do that too It is not a complete bible study though you will still learn a lot about the Creator It is not designed to motivate you to try harder though you will also be motivated It does not contain the steps to achieve personal success though when you begin to feast and taste God s 5G s you WILL find a sense of joy peace and wholeness filling you Additionally this 31 Day Powerful Program does offer practical ways that can be used individually in groups or as an entire church family to make living in His goodness your everyday reality enabling you to tap into fully and FEAST on GOD s 5G Connectivity Finally when you taste God s 5G s you will be impacted with everything you see around you And as you experience this 5G life your Heart will start to FEAST and respond in total Gratitude
