Klein, 2015-11-25 Controversy rages on about God s choosing people for salvation Are only the few elect Rather than typically beginning with the preconceptions of systematic theologies Dr William Klein takes up this question by searching for a biblical theology of election He surveys the OT contexts of God s choosing individuals prophets priests kings to serve divine purposes and considers God s election of the nation of Israel as his special people This OT study proposes that God s election is both individual and corporate but not always determinative Individuals entered the people of God by birth but not all the people found salvation Faith in Yahweh was required This book traces these elective understandings through the intertestamental literature identifying continuities and shifts The bulk of the study and the heart of the argument focus on the New Testament Klein identifies concepts of election and relationships between writers in the gospels the Lucan material Paul s writings and the rest The new covenant God choosing the church in Christ emphasizes election as corporate while the individual election of Jesus disciples and of Paul raises the question whether such chosenness is necessarily salvific In closing Klein discusses the most engaging and divisive questions around God s election and offers a real challenge to today s church **Reverentially Turning to God from Idols Devotional** Gregory L. Madison, 2023-04-20 The idols of addiction must be dealt with through reverence for God just as they are chosen through our irreverence Reverentially Turning to God from Idols is 365 day reading It is a combination of Addiction A Tug of War Quality Sobriety Volumes 1 5 Turning to God from Idols as well as a few other works by Gregory Madison The epitome of reverencing God is the mind of Christ It is impossible for someone abiding in Christ to relapse *Playful, Glad, and Free* Jessica Decou, 2013-09-01 This book offers a critical analysis and reinterpretation of Karl Barth s theology of culture the least studied aspect of his work revealing his significance for contemporary work in theology of culture by applying his approach to the study of popular culture and entertainment Grounding the study in Barth s eschatology which proves more amenable to secular culture than other models DeCou shows that Barth s approach recognized that the freedom of theology is qualified by the freedom of the Word and the freedom of secular culture Barth therefore offers a middle way for evaluating and analyzing culture and religious forms This book thus opens up a new avenue of interpretation of Barth and applies the insights of Barth s theology in fresh ways to the structures of contemporary culture and its products Eugene B. logical arguments for the prewrath rapture position **Finding Your Way** Tommy Tenney, 2008-01-11 In The Ultimate Comeback Tommy Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny s new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney s message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the Things that Really Matter [A White Man in a Black World](#) Richard Wesley Lythberg, 2019-09-24 Everyone should read this revolutionary book not only a Christian testimony of a miraculous reception of the baptism of the Holy Spirit beyond speaking in tongues the story of interracial love from opposite backgrounds melding together through trials and tribulations and finally the challenge from Jesus exhibited by Dr Martin Luther King Jr to love even our enemies taking up the cross and becoming servants to all [The Church as the Extended Family of God](#) Donatus Oluwa Chukwu, 2011-01-27 As Christianity in Africa is witnessing an unprecedented growth in membership the author argues that in order to sustain its momentous growth and deepen the faith particularly among Catholics the Church needs to acculturate an African model that resonates with Africans religiosity cultural consciousness and worldview The author contends that the model of the Church as the Extended family of God is best suited for an African ecclesiology and deepening the faith of African Christians [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1954](#) , 2003 **Face to Face with God** Bill Johnson, 2015 This expanded edition of Bill Johnson s popular book has questions for reflection and a prayer at the end of each chapter This new material will encourage the reader to take what he has read and apply it in his own life Bill Johnson pastors a church where supernatural encounters with God happen regularly miracles are common and the congregation has an infectious passion for spiritual growth How does he do it It s simple he makes experiencing a deep intimate relationship with God a priority for himself and the rest of his congregation In Face to Face With God Bill Johnson helps you pursue God for greater measures of His presence in your own life sharing the principles he has learned as well as real life stories from his church and ministry You will learn How to set up an ambush for God rather than just waiting on God What it means to enter the favor of His face and how it changes history How to deal with distractions that enter the mind during prayer meditation time The reward of keeping your eyes on the Blessor while reaching for His blessings What happens when God speaks directly as a result of obedience How to move
