God's Great Covenant, Old Testament 1 Claire A. Larsen, 2009-11-16 God's Great Covenant Old Testament One teaches the Biblical narrative chronologically from Genesis to Ruth to elementary aged students The Old Testament is a narrative of God's faithfulness to his people and the overarching themes of the promises and power of God are presented in weekly stories The workbook text contains thirty two weekly chapters along with maps and 3D illustration Recommended for second grade and up God's Great Covenant, Book One Claire Larsen, 2007-01-15 **God's Good Covenant** Loren F. Bliese, 2021-06-29 In this study of Hosea Loren Bliese documents his current research into how the poetics of the Hebrew Bible were enhanced by arranging the counts of words and structures in order to beautify the message The two words good and covenant are the only words that come once each in the five parts of the book They point to a structural theme of the book that God's covenant is good in contrast to idolatrous relationships that lead to disaster Hosea's symbolic numbers are derived from both twenty two of the Hebrew letters and from twenty six the value of the divine name YHWH along with other numbers related to the name Plays on the word repent or return have a build up of repetitions to the end where the plea Return Israel to the LORD your God is prominent Each of these words is marked by numeric significance The book is a discourse analysis of Hosea's whole text focusing on features of prominence including symbolic numbers The study analyzes thirty of the forty five poems in Hosea with the form of metrical chiasmus pointing to a central peak Bliese has developed this in previous writings Abundant chi square probability calculations support his analysis **God's Great Book** Judy Kampia, 2007-11-02 GOD'S GREAT BOOK uses classic biblical stories questions and activities to relate its 282 Bible lessons including Epistles to children It is adaptable for ages 3-13 and flexible for use in the classroom home school retreats VBS and other group settings or may be read alone by a middle school child **ESV Systematic Theology Study Bible** Crossway Bibles, 2018-01-22 Theology should first and foremost be rooted in God's Word The goal of the ESV Systematic Theology Study Bible is to demonstrate how all Christian doctrine arises from the pages of the Bible Created to help readers understand how Scripture forms the basis for our understanding of God humanity sin salvation and eternity this study Bible features over 400 short in text doctrinal summaries connecting Christian beliefs to specific Bible passages 25 longer articles explaining important theological topics in greater depth and introductions to each book of the Bible that highlight the unique ways each book contributes to the whole of Christian theology Created by an outstanding team of editors and 26 contributors this resource has been created to help Christians better connect what they believe about God with the very words of Scripture **Reading the Prophets as Christian Scripture (Reading Christian Scripture)** Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues

God's Great Reset: Assessing Covid, the Rapture & Yeshua's Body in an END TIME Context Yosef Rachamim Danieli, 2023-04-10

Are we really living in the end times Could it be that the recent Covid 19 crisis marked the beginning of the end Will that be followed by an imminent pre tribulation rapture Will we still be living here for at least some of the great tribulation Are we prepared Will we need to change the model we use as Messiah s body during the potentially tumultuous circumstances soon coming on our world This very interesting and challenging book addresses the above questions in a convincing and biblical way As a native Israeli Jew and a follower of Israel s Messiah Redeemer the author approaches the above issues using his Hebraic Jewish Middle Eastern lens Spoiler alert Do not expect traditionally accepted explanations and interpretations of end time prophecies Be prepared rather to have your settled theology disrupted as you read with an open mind You may discover your thinking has been influenced by traditional teachings which are the byproducts of misinterpreted scriptures due to a lack of understanding of their proper cultural and linguistic context Sit back and enjoy the ride
