question of course is what can be done about that That s when I decided to try to MAKE MEDIDTATION ON THE TEN COMMADMENTS FUN simple little GAMES that help adults or kids jump start their ability to master the Ten Commandments in Luther s Small Catechism I ve found that if learning especially for adults isn t FUN it s probably not going to happen unless some merciless task master is standing over people But when that happens they won t come back a second time These games and activities let you engage the ten commandments in a way that that s interesting It s not like a boring classroom It s like an adventure something fun to master Kids and adults need a break from the lecture This kind of break lets them review learn the material from different perspectives and keep immersing themselves in the study of the ten commandments while making it a game Listen our goal is to have students take the ten commandmetns with them to inspire their prayers to equip them in times of struggle to be the kind of biblical summary that the Holy Spirit uses in their lives to live faithfully in the world around them If we believe the commandments as part of catechism give our students an advantage over people who never learn them we owe it to ourselves and our students to do everything possible to help them make it their own The tool to help you do that is The Ten Commandments from Martin Luther s Small Catechism Word Search Activity Book In it you ll find a series of WORD SEARCHES WORD SCRAMBLES CRYPTOGRAMS DOUBLE PUZZLES MISSING VOWELS You ll get The Ten Commmandments according to Lutheran usage The Ten Commandments in multiple game formats so that you can review the commandments in a variety of formats the key to mastery Usable with any English version of Martin Luther s Small Catechism READY TO IMPROVE YOUR mastery of the TEN COMMANDMENTS Let s get started Page after page of tools for mastering the Ten Commandments You ll have hours of fun while profitably internalizing the God s Commands Order now T      **Christ in the Commandments** Luke Gilkerson,2014-09-08 Christ in the Commandments is a 30 lesson family devotional that helps your children understand the heart of the Ten Commandments Focusing on Exodus 20 1 21 the teaches kids two vital ways of approaching the commandments both as a mirror that reflects our own sinfulness and as a window to see the person and character of Christ Each lesson contains An opening thought to prepare your kids for the lesson A Scripture reading An explanation of that passage in simple terms Discussion questions A prayer What Others are Saying I absolutely love how engaging it is for the whole family It keeps the attention of a six and three year old so I can only imagine how great it would be with older kids Sherry at This House of Joy All I can say is WOW We take turns reading the passages the study guide and looking at each other in amazement as Addie answers questions in ways that we would never have imagined Suzette at The Joy of Homemaking This is such a wonderful way to help plant a desire for worship of the Lord in the hearts of our children If you ve had questions about how to effectively teach the importance of the Ten Commandments to your family without de emphasizing God s new covenant of grace this study might be just what you are seeking Allison at Schumm Explosion
