Life Journey Through Three Regimes, Two Countries and Two Systems Bo Shi, 2022-04-20

Brief to a New Book *Life Journey through Three Regimes Two Countries and Two Systems*

This book is an autobiography. It vividly describes author's complex life journey. The author was born in a remote mountain village in China. He went to a university in Beijing and worked in Chinese Academy of Science in Beijing for many years after graduation. The author came to study in the United States of America in 1981, obtained Ph.D. in physics. He later taught at American universities. He went from the son of a farmer in a mountain village to a professor in the United States of America. His childhood was in the era of Kuomintang rule, Communist Mao Zedong rule, and then of Deng Xiaoping's reform. The United States is his current country of citizenship and residence. He loves this country. But it somehow is still like a foreign country to him. The United States is also typical of the capitalist system. So the author experienced three regimes and two countries and two systems. In his earlier life, it is the richest part of Chinese history and also the richest part of world history. He has been through all these. The course of his life is very complex, rich, and colorful. A lot of living things happen at his feet. These stories have love and hate, there is history, and there is something personal. Among them, there is success, there is failure, there is experience, there is a lesson, and its path is round and fold. Sometimes it is smooth sailing, sometimes the waves roll, sometimes it is breezy and sunny, and sometimes it is stormy. In 1994, the author returned to his long lost hometown. This was the second time he had come back after nearly twenty years. The last time was in 1975. The author saw his classmates and friends when he was a kid. Of course, the American professor returning to his hometown still caused a lot of sensation in the village. Some people who used to bully his family had also come to visit. After a few decades, the hometown had been unrecognizable. After the reform and opening up, the people's lives had improved considerably. However, local governments were lacking environmental awareness and the concept of uniform logging. The construction of houses was extremely disorganized, turning the beautiful mountain village into a mess. The author was very sad seeing this. He is always dreaming. If he has hundreds of millions of dollars, he must first go to transform his hometown. He is going to dedicate this book to his hometown. If only his book could be published, he is going to use all his contributions as a fund to raise money for rebuilding his hometown. This book is written in chronological order. It is divided into eleven chapters: Chapter 1 Childhood from Birth to Graduation from Elementary School 1941 to 1954; Chapter 2 Middle School and High School 1954 to 1960; Chapter 3 At a Chinese University in Beijing 1960 to 1965; Chapter 4 First Year in the Institute 1965 to 1966; Chapter 5 The Terrible Cultural Revolution 1966 to 1970; Chapter 6 The Exile Life in Yanjiang 57 Cadre School 1970 to 1972; Chapter 7 Life in Beijing after Returning from the 57 Cadre School 1972 to 1976; Chapter 8 Mao's Death, Deng Xiaoping's Return to Power, Reform and Opening Up, and the Third Regime 1976 to 1981; Chapter 9 Arrived in The United States of America, Some Reflections 1981 to 1986; Chapter 10 Some Memories in That Small Town 1981 to 1986; and Chapter 11 Working at Different Institutions 1986 to 2017. of the king is far away and the path is difficult Sultan has to cross the forest of the Oracle the river of the dead and the valley of snakes On his journey he encounters Dhamin a shape shifting snake who gives him a powerful silver dagger and asks Sultan to kill his uncle the king of the valley of snakes Dhamin threatens to kill them if he doesn't do so On his way Sultan saves a girl from the cave of a monster and falls in love with her He finds that the girl is an Angel who gives Sultan two of her tears and tells her that the tears have Godlike powers Sultan now has to decide whether to kill Dhamin's uncle and whether to follow a road that leads to his love or the one that leads to his destiny This is a mesmerizing story that will entice you to do something bigger and memorable in your life *Lessons Learned Along the Way to Becoming a Boomer* Dave

Muehlbauer,2022-08-05 As a baby boomer born in 1947 author Dave Muehlbauer has seen a lot of history being made He's experienced an array of emotions overcome physical challenges and fought spiritual battles But through it all he's accumulated wisdom In *Lessons Learned along the Way to Becoming a Boomer* he shares some of that wisdom to help the next generations Through scripture Bible stories and his personal experiences Muehlbauer offers insight into a range of topics from life and death to God's plan for us to loving God and learning to pray He discusses how to develop a faith to boldly face the trials and tribulations against the body and spirit how to attain the ability to remove fear from the thought of dying and how to acquire a peaceful spirit with only three fingers Delivering an array of messages *Lessons Learned along the Way to Becoming a Boomer* is meant to help you overcome any fears about the future and understand that with the help of the Holy Spirit you can do amazing things **The Movement of the Holy Spirit** Dr. Coffia M. Rose,2021-03-29 Since the

beginning of creation man and woman are created as two spiritual beings However sin came into the world and exposed the nakedness of man Evil and wickedness have now become a part of man's nature The serpent that tempted Eve in the Garden of Eden was known to be the devil However he came under disguise then exposed the forbidden fruit when he tempted Eve Eve failed in the temptation which exposed man to his sinful nature Although we are living in a physical world there is spiritual wickedness that keeps taking place without the natural man's understanding Almost every day there's violence killing and all kind of evil that continues to plague the earth This is why the scripture tells the readers For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 KJV However the word of God gave the believers some spiritual weapons to counter the devil's wicked devices such as the helmet of salvation the sword of the spirit the breastplate of righteousness the gospel of peace and the shield of faith Eph 6 14 17 This is why the word of God the Holy Spirit is our protection

Netliving 101: Networking Life's Journey John C. Durkin,2000-10-04 It is not what you know but who you know that counts This old cliché is as true today as it was when it was first uttered According to a recent survey conducted by Drake Beam Morin Inc a large outplacement organization networking fills 70 percent of professional positions Networking for a job is the best way to tap into the unpublished job market NETLIVING 101 Networking Life's Journey reaches beyond the job

market into all aspects of life from the womb to the tomb Hence the word networking is replaced by my newly coined word netliving There is currently no book as indicated by reviewing Books in Print that shows people how to take advantage of networking techniques used in job hunting to enhance other facets of their lives NETLIVING 101 Networking Life s Journey fills that gap by providing all the tools and information readers need to establish networks and have more enjoyable and successful lives One of the reasons for choosing the title NETLIVING 101 Networking Life s Journey was because to the best of my knowledge no college or university offers a course as part of a curriculum on the subject In earlier simpler times when most of the world s population lived in small villages where everyone knew their neighbor there was no need to build networks for they were already in place The local church or pub was usually the hub of the network With the complexity of today s society it has become necessary to make a concerted effort to establish support networks in order to be successful and happy In this self help book ideas examples and suggestions for netliving are developed through short vignettes based on the lives of real people Names and places will be changed to protect the innocent NETLIVING 101 Networking Life s Journey is written using the concept known as faction Essentially faction refers to the inclusion of certain details which although they may not have occurred exactly as described in point of fact give the reader a clear image of the scene in his or her imagination Rather than telling the reader what netliving is all about this book demonstrates through the words and actions of the characters Chapter One introduces the two key characters that appear throughout the book Roberta and Richard are used alternately from chapter to chapter to provide different perspectives The fabric of friendships is woven through the stages of life and applied to various life experiences from overcoming the fear of public speaking to preparing for retirement Netliving 101 Networking Life s Journey is designed for individuals who are career oriented sophisticated and thoughtful Most people are concerned about their future and are taking steps to afford themselves successful happy and prosperous mature years *Harnessing the Force* Richard Koepke,2011-08-22 Are you living your life in a state of joy gratitude and thankfulness Do you laugh a lot and feel like it s Christmas every day If not then this book is meant for you Many of us instead live our lives feeling depressed anxious and unhappy We race home from work only to be overloaded with even more work around the house Rather than enjoying our lives and interpersonal relationships we tend to lose sight of whats really important and instead focus on acquiring material things and the numerous work tasks needed to get done We may have forgotten how to play and enjoy life The more debt we take on the more pressured our lives become as well Some of us are also angry inside holding onto grudges and feeling like we have been victimized by anothers thoughts words and deeds Feeling victimized we may then lash out in anger at the people closest to us and do harm to those we love *Harnessing the Force* both simplifies the wellness concepts and expands upon the spiritual content of my previous book *The Force is With You Always* It is loaded with wit and wisdom about living life in harmony with your true inner self It connects you to your soul within in order to make beautiful soul music without It will help you turn enemies into friends while living in harmony with

nature and Spirit Learning to live a healthy life in harmony with Spirit is well worth the pursuit
