Hinterland James Clemens, 2007-11-06 When a skull deformed and corrupted by dark Graces is discovered former Shadowknight Tylar must discover the mystery behind it a quest the leads him into the heart of the Hinterland a desolate region from which no Shadowknight has ever returned Reprint **Hinterland** James Clemens, 2007-11-06 In war torn Myrillia an ominous artifact is found It is a skull twisted and corrupted by dark Graces the work of the evil demonic Cabal set on destroying the Nine Lands Former Shadowknight Tylar must unravel the mystery of the skull before all of Myrillia is threatened But the Cabal is not the only danger Tylar returns to the Citadel and regains his knighthood and forces out of Ice Eyrie launch an attack trapping Tylar and the Shadowknights More terrible is an ancient threat rising out of the dark depths of the Citadel itself To save the Nine Lands Tylar must enter the Hinterland the desolate territory beyond the blessed Lands where rogue gods roam and dark Graces flow and from which no Shadowknight has ever returned **Shadowfall** James Clemens, 2006-11-07 Four millennia have passed since the gods came to Myrillia creating the nine lands of peace as a haven from the nightmarish accursed Hinterlands In all this time nothing has disturbed the harmony of the nine lands But now the goddess of the Summering Isles has been murdered The only witness is Tylar de Noche a crippled and disgraced former Shadowknight As he holds the dying goddess her last breath bestows a powerful blessing on him a mark that heals his broken body A mark that many see as proof that he killed a god A mark that unleashes a powerful force of darkness within him Chased across Myrillia by enemies both human and ethereal Tylar must uncover and face down a being powerful enough to kill an immortal the true godslayer For if he fails all of Myrillia will fall into shadow **Why cant U teach me 2 read?** Beth Fertig, 2009-09-15 Why cant U teach me 2 read is a vivid stirring passionately told story of three students who fought for the right to learn to read and won only to discover that their efforts to learn to read had hardly begun A person who cannot read cannot confidently ride a city bus shop take medicine or hold a job much less receive e mail follow headlines send text messages or write a letter to a relative And yet the best minds of American education cannot agree on the right way for reading to be taught In fact they can hardly settle on a common vocabulary to use in talking about reading As a result for a quarter of a century American schools have been riven by what educators call the reading wars and our young people have been caught in the crossfire Why cant U teach me 2 read focuses on three such students Yamilka Alejandro and Antonio all have learning disabilities and all legally challenged the New York City schools for failing to teach them to read by the time they got to high school When the school system s own hearing officers ruled in the students favor the city was compelled to pay for the three students now young adults to receive intensive private tutoring Fertig tells the inspiring heartbreaking stories of these three young people as they struggle to learn to read before it is too late At the same time she tells a story of great change in schools nationwide where the crush of standardized tests and the presence of technocrats like New York s mayor Michael Bloomberg and his schools chancellor Joel Klein have energized teachers and parents to question the meaning

of education as never before And she dramatizes the process of learning to read showing how the act of reading is nothing short of miraculous Along the way Fertig makes clear that the simple question facing students and teachers alike How should young people learn to read opens onto the broader questions of what schools are really for and why so many of America s schools are faltering Why cant U teach me 2 read is a poignant vital book for the reader in all of us **Deutsche**
