Bourdieu and the Sociology of Music Education Pamela Burnard, Ylva Hofvander Trulsson, 2016-04-15 Pierre Bourdieu has been an extraordinarily influential figure in the sociology of music For over four decades his concepts have helped to generate both empirical and theoretical interventions in the field of musical study His impact on the sociology of music taste in particular has been profound his ideas directly informing our understandings of how musical preferences reflect and reproduce inequalities between social classes ethnic groups and men and women Bourdieu and the Sociology of

Music Education draws together a group of international researchers academics and artist practitioners who offer a critical introduction and exploration of Pierre Bourdieu's rich generative conceptual tools for advancing sociological views of music education. By employing perspectives from Bourdieu's work on distinction and judgement and his conceptualisation of fields, habitus and capitals in relation to music education, contributing authors explore the ways in which Bourdieu's work can be applied to music education as a means of linking school institutional habitus and learning and curriculum and family class habitus. The volume includes research perspectives and studies of how Bourdieu's tools have been applied in industry and educational contexts including the primary, secondary and higher music education sectors. The volume begins with an introduction to Bourdieu's contribution to theory and methodology and then goes on to deal in detail with illustrative substantive studies. The concluding chapter is an extended essay that reflects on and critiques the application of Bourdieu's work and examines the ways in which the studies contained in the volume advance understanding. The book contributes new perspectives to our understanding of Bourdieu's tools across diverse settings and practices of music education.

Formation for Mission Mary T. Lederleitner, Andrew MacDonald, Rick Richardson, 2022-08-10. Helping the next generation live for Christ. As Christian adolescents develop into adults they face unique questions and challenges. But this stage of life also provides unique opportunities for all who care about the spiritual flourishing of the next generation. Created in partnership with the Wheaton College Billy Graham Center, *Formation for Mission* empowers those who interact with teenagers and young adults. Gathering wisdom from a diverse variety of veteran teachers and weaving together research-informed social, theological and practical insights, each chapter examines essential features in the missional development, formation and contexts of young people. Questions for reflection and discussion move the conversation forward. Each generation is commissioned to pass the faith on to the next and help them live for Christ, enter congregational life and engage in Christian mission. With cultural awareness and sensitivity to the challenges of today, *Formation for Mission* offers hopeful advice to those who are invested in supporting the spiritual thriving of emerging adults.

The Routledge Handbook to Sociology of Music Education Ruth Wright, Geir Johansen, Panagiotis A. Kanellopoulos, Patrick Schmidt, 2021-03-29. The Routledge Handbook to Sociology of Music Education is a comprehensive, authoritative and state-of-the-art review of current research in the field.
