His Majesty Requests Preparing The Bride For The Messiahs Return:

His Majesty Requests Rebecca Park Totilo, 2002-12 The Honor of Your Presence With one sip from the betrothal cup she vows her devotion But while the groom is away preparing a place for her the beguiling advances of another threaten the bride s wedding plans Like flipping pages through a wedding album the rich imagery in His Majesty Requests paints a vivid portrait of who the Beloved bride truly is and how she makes herself ready for the marriage supper of the Lamb By matting and framing the story of one father s desire to find a suitable wife for his son in ancient Israel the mystery of God s love for Jews and non Jews throughout the ages is revealed This devotional beautifully illuminates the spiritual significance of the ancient Hebrew wedding customs and how the Messiah fulfilled each one As family heirlooms many of these traditions such as bride price and the veil may be recognizable while others will flash new insight into the teachings and ways of a Jewish Savior The restoration and brilliance of these lost pictures are sure to fill the believer s heart with a renewed love for their Heavenly Bridegroom

His Majesty Requests Rebecca Park Totilo, 2005 This volume beautifully prepares the Bride of Christ for the marriage supper to the Lamb of God using the Hebrew wedding customs portrayed in scriptures This devotional illuminates the spiritual significance of the ancient traditions and how the Messiah fulfilled each one *Books in Print Supplement*, 2002

New Thought, or A Modern Religious Approach Martin Alfred Larson, 2022-12-06 The renowned historian examines the evolution of the New Thought Movement from its eighteenth century European roots to twentieth century America In this enlightening study Martin A Larson presents New Thought as a rebellion against the conventional dogmas of Western religion He begins with an in depth look at the work of Emanuel Swedenborg the philosopher and Christian mystic who was compelled to publish his theological writing anonymously outside his native Sweden In the United States however the Shakers and their predecessors were able to avoid persecution despite setting forth a complete repudiation of traditional Christian doctrine They achieved this by accepting the Bible as divine revelation while denying its literal meaning Through the process of Spiritual Interpretation they supplanted orthodox religion with a totally new system of faith and belief This work is dedicated to all those seeking truth in a religion that meets the needs of modern life The author pays special tribute to such forerunners as Michael Servetus Emanuel Swedenborg Phineas Quimby Warren Felt Evans Horatio W Dresser Ralph Waldo Trine Emma Curtis Hopkins Charles Fillmore Ernest S Holmes Thomas Troward Joseph Murphy and a host of others who have contributed to the movement known as New Thought a philosophy of health happiness and prosperity

The Reign of Grace Scotty Smith, 2010-06-15 Pastor Scotty Smith challenges readers humbly and honestly to consider what it means to be stewards of God s grace to live a life of obedience and service in response to His wonderful love With breakthrough understanding this book reconciles the disconnection between God s faithfulness to Christians and their unfaithfulness to Him

Ten Women of the Bible Updated Edition Max Lucado, 2024-12-31 Why Did God Choose These Women We don t know all their names Some are referred to in Scripture only by their nationality Some are known only by

where they lived Some became queens others lived on the fringes of society One gave birth to a nation another gave birth to the Messiah Their culture often overlooked or discounted the contributions of women yet the writers of Scripture found these women and the role they played remarkable to the telling of God's story As we study the lives of the women in the Bible we find important truths that God wants us to grasp They lived in a different world than our own but we find ourselves facing the same issues they faced Yet even more these women show us there is a God who sees us where we are and loves us for who we are He is the one who hovers over all the pages of the Bible shaping lives rescuing hearts healing sicknesses raising what was dead to life and assigning high callings to those who choose to follow him and have faith in him In this ten lesson workbook Max Lucado recounts some of his favorite stories of these ten women Sarah Abigail Esther the Samaritan Woman Mary Magdalene and others and describes what set them all apart EACH LESSON INCLUDES Five daily in depth Bible studies to help you navigate the stories of Scripture Summary points to help you remember the key takeaways from each lesson Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's Word in your heart
