What do you do when two million people hate your guts Sergeant Andy Wong of Hong Kong s famed Police Tactical Unit PTU Bravo Company is an honourable man who loves his job When the people of Hong Kong take to the streets to voice their

displeasure against government policies it's Andy and his fellow colleagues who are tasked with maintaining law and order and putting an end to the riots and disruption that begin to plague the city. But after months of constant duty days and nights on the streets enduring verbal and physical abuse from the public ostracised by his friends and a deteriorating relationship with his family the cracks begin to show. When the lines between truth and falsehood good and bad become increasingly blurred and faced with a wife who barely speaks to him and a daughter he never sees Andy becomes increasingly conflicted. Who really are the bad guys? Where should his loyalty lie? Who is helping the rioters disappear from right under the noses of the PTU patrols?

The Chronicles of Sekhmet on Olmecra Book 2 indigo ptah, 2022-09-21

In the Ancient Lands of Kemet Goddess Sekhmet is a Legendary Lioness Woman. In the chronicles the famous lioness woman NTR is tasked with raising the vibrational energies of humans on a specific part of Earth called Olmecra. And unless there is an elevation in vibrations Earth will not ascend with the other planets in its galaxy. The Matriarchy of the Kemetic Pantheon and Cosmic Goddesses are the protagonist of the book displaying their best nurturing attributes. The story is being told from a divine feminine perspective in a way Goddess Sekhmet is not traditionally typified. For those who study the Ancient Egyptians and/or Kemet metaphors will develop into myth. And for those who are new to the subject matter the interaction of the immortals with humans will encourage readers to seek what is seeking them. This novella is unique in that few stories are dedicated to the African Cosmic Pantheon as compared to books popularized by Greek and Roman mythology. Book Two is the second of a series of seven novellas that chronicle how the Goddess Sekhmet assists humans to help Earth ascend. In Book One three exceptionally conscious women face individual crisis situations. And to the surprise of themselves and their community they gain the gift to transform into a lioness woman to balance out their circumstances. Another exceptional woman takes their signal to begin a new purpose quest to assist with Earth's ascension. The main antagonist status quo of patriarchy in the form of selfish systematic supremacy attempts to progress its parasitic programming practices by spreading fear and eating away at natural energy resources on the planet and beyond. But the forces of nature get more involved in Earth's evolution. As an exceptional man embraces his animal spirit to provide and protect the path of the lioness women. Book Two continues the chronicles in Book One with immortal conversations and early background on how and why Olmecra was formed. The stories may seem controversial to some but are non-confrontational. And the story lines are never meant to make accusation of anyone or any group of people. But rather what is emphasized is the misuse of spirituality and the decline of the human condition. As the author evolves the chronicles she hopes the concept of Personal Agency is encouraged so the reader expands their thoughts on their individual journey and how their purpose fits in the Universe.

Price of Innocence by USA Today bestselling author Patricia McLinn is a sequel to *Proof of Innocence* that can also be read as a stand-alone. Readers of Greer Rivers, Lila Ferrari, Chris Patchell, Laura Snider, and Irish Winters who can't get enough of twists and turns, characters who stick with you, and mystery and romance swirled together will love *Price of Innocence*. And don't miss the Innocence Trilogy finale, *Premise of Innocence*. Praise for *Proof of Innocence*: Wow, what a page-turner. I had so many people I suspected of the crimes. This was a great suspense with a touch of romance. The author added several different points of view from the characters, which added to the mystery of who done it. Jutzie 5-star review: Really enjoyed this book. A fast-paced legal thriller that keeps the reader guessing from beginning to end. This book is more a whodunit than the touch of comedy found in many of McLinn's books. Lanese T 5-star review: McLinn's writing is so atmospheric, so descriptive of people and locale that I could swear I heard the waterfall, leaf-deadened footfalls. A well-paced murder mystery with a slow-burn romance. Engaging from the beginning with many plot twists and plenty of action.
