Our Cry for Revival Nick Harrison, 2024-11-05 What Christian isn't hungering for revival Not just an emotional display of faith but a revival that changes lives renews churches and can even change history Such revivals as the Great Awakening the Welsh Revival and the Jesus Movement have earned their place in church history and are evidence that God is still alive and active Even smaller revivals such as the recent revival at Asbury University in Wilmore Kentucky caught the attention of the world as upwards of fifty thousand Christians traveled to the college campus to witness this move of God The recent movie The Jesus Revolution was a surprise success at the box office as once again Christians flocked to hear about revival Make no mistake there is a worldwide hunger for revival and especially so among American Christians The great news is that every Christian has a part to play in bringing about revival That part is first last and always prayer Revivals are born from prayer But will Christians pray Do they really want revival If recent events are indications of that fresh hunger for God in our midst then the answer is a resounding yes With daily Scripture readings reflections prayer prompts and quotes from classic Christian leaders this 365 day guide will aid you in your quest to experience both personal and widespread revival through persistent prayer Yes revival is on its way Will you be one of the prayer warriors to usher in this next great move of God

Christianity Today Book Awards Merit winner As the Father has sent me so I send you Those of us called to Christian ministry are commissioned and sent by Jesus just as he himself was called and sent by the Father Thus we naturally pattern our ministries after Christ s example But distinctively Christian service involves the Spirit as well just as Jesus himself accomplished his ministry in the power of the Spirit Thus the whole Trinity Father Son and Holy Spirit gives shape to truly authentic Christian ministry Though as Christians we all affirm the doctrine of the Trinity many of us might struggle to explain how understanding the Trinity could actually shape our ministry Stephen Seamands demonstrates how a fully orbed theology of the Trinity transforms our perception and practice of vocational ministry Theological concepts like relationality and perichoresis have direct relevance to pastoral life and work especially in unfolding a trinitarian approach to relationships service and mission A thoroughly trinitarian outlook provides the fuel for our ministry of Jesus Christ to the Father through the Holy Spirit on behalf of the church and the world Essential reading for pastors parachurch workers counselors missionaries youth ministers and all who are called to any vocation of Christian ministry

Fan the Flame Jim Cymbala, John Blattnner, 2022-09-20 What if we modeled our churches after what Jesus intended His church to look like What if our hope for our ministries rested not on human wisdom but on God s power Over the past few years we ve all seen how quickly circumstances can change and many of us have experienced firsthand how church growth trends and popular models fail us Churches across the country are struggling and many pastors are deeply discouraged We work hard and with great sincerity but our efforts don t seem to be helping our churches flourish Jim Cymbala New York Times best selling author and long time pastor of The Brooklyn Tabernacle has been watching the pressing need for back to the basics spiritual leadership among Christians and he s seen so many churches come to defeat because so many leaders forget this one truth Your church is not your church It s Christ s church In order for his church to flourish we have to minister his way With this posture of humility and a refreshing return to the model of Paul s church leadership and philosophy of preaching shown in the book of Acts Cymbala has written an urgent message for all those in ministry that Identifies the many pitfalls that church leaders can fall into Reasserts the need for total confidence in the Gospel Preaches complete dependence on the Holy Spirit while showing you how to see the new things that the Spirit can do through your work Offers practical guidance on inevitable leadership challenges such as money division and priorities With honesty and clarity Jim Cymbala has written Fan the Flame to ministers church leaders staff members and any Christians serious about God s church He s written this book in order to help you face these difficult times in the name of the Lord He s written so that our prayer as God s people with God s mission might be Lord show us how to do your work so that in the midst of dark times we can still see you fan the flames of your power and Spirit Lord use us to that end Amen
