Maps and Map-making in Local History Jacinta Prunty, 2004 This book introduces the local history practitioner to the world of maps the special character and appeal of maps as an historical source why they are invaluable in local history research and questions that must be asked of them The historical background to map creation in Ireland is outlined with details on the major classes of cartographic and associated material and the repositories wherein they may be found The Plantation series travel and county maps maps as part of published reports and journals military mapping estate and property mapping and maritime maps historic Ordnance Survey and Valuation Office maps and more recent OS mapping including the 1 50 000 Discovery series are discussed A section on essential map reading skills including matters of scale representation and accuracy will help equip the researcher to explore this coded world Step by step guidance for starting out to locate maps relevant to one's study area is provided Case studies of working with maps in local history are offered as practical examples of what can be done and guidelines for map making are also included

Sources for Early Modern Irish History, 1534-1641 Robert Dudley Edwards, Mary O'Dowd, 1985 The Tudor revival of government and administration in Ireland dramatically increased the quantity of written sources concerning Ireland This book attempts to survey this documentary material It analyses of the written sources for early modern Irish history for the period 1534 1641 It discusses the different types of sources available and also provides descriptions of transcripts copies and summaries of manuscript material which has been destroyed This is very valuable because much of the original documentation for this period was destroyed when the Public Record Office in Dublin was burnt at the beginning of the civil war in 1922 The final chapter in the book includes an assessment of the historiography of early modern Irish history In the light of the need for historians to understand the administrative machinery which produced the documents they use the book also includes an account of the civil and ecclesiastical administration of early modern Ireland

A Teacher's Manual Accompanying the Harding European History Maps Samuel Bannister Harding, 1917

Maps and the Writing of Space in Early Modern England and Ireland B. Klein, 2001-01-11 Maps make the world visible but they also obscure distort idealize This wide ranging study traces the impact of cartography on the changing cultural meanings of space offering a fresh analysis of the mental and material mapping of early modern England and Ireland Combining cartographic history with critical cultural studies and literary analysis it examines the construction of social and political space in maps in cosmography and geography in historical and political writing and in the literary works of Marlowe Shakespeare Spenser and Drayton

English Historical Documents, 1189-1327 David Charles Douglas,Harry Rothwell,1996 This is a collection of documents on English history Editorial comment is directed towards making sources intelligible rather than drawing conclusions from them Full account has been taken of modern textual criticism A general introduction to each volume portrays the character of the period under review and critical bibliographies have been added to assist further investigation Documents collected include treaties personal letters statutes military dispatches diaries declarations newspaper articles government and cabinet

proceedings orders acts sermons pamphlets agricultural instructions charters grants guild regulations and voting records
Volumes include genealogical tables lists of officials chronologies diagrams graphs and maps *Basic Guide to Irish
Records for Family History* Brian Mitchell,2009-03 A primary aim of this book is to dispel the widely held notion that most
records of genealogical interest in Ireland were destroyed during the shelling of the Four Courts in Dublin on 28 June 1922 in
which many important historical documents were lost *Narrative of an Expedition to the Source of St. Peter's River, Lake
Winnepeek, Lake of the Woods, Etc* Keating,1824 **Tracing Your Irish Ancestors Through Land Records** Chris
Paton,2021-11-30 If you have Irish family roots this book is an excellent resource and guide to help you to make the most of
your researches on ancestors Leicestershire Rutland Family History Society The history of Ireland is one that was long
dominated by the question of land ownership with complex and often distressing tales over the centuries of dispossession and
colonization religious tensions absentee landlordism subsistence farming and considerably more to sadden the heart Yet with
the destruction of much of Ireland's historic record during the Irish Civil War and with the discriminatory Penal Laws in
place in earlier times it is often within land records that we can find evidence of our ancestors existence in some cases the
only evidence where the relevant vital records for an area may never have been kept or may not have survived In *Tracing
Your Irish Ancestors Through Land Records* genealogist and bestselling author Chris Paton explores how the surviving
records can help with our ancestral research but also tell the stories of the communities from within which our ancestors
emerged He explores the often controversial history of ownership of land across the island the rights granted to those who
held estates and the plights of the dispossessed and identifies the various surviving records which can help to tease out the
stories of many of Ireland's forgotten generations Along the way Chris Paton identifies the various ways to access the records
whether in Ireland's many archives local and national and increasingly through a variety of online platforms An essential
read for anyone taking their Irish research seriously *Who Do You Think You Are Magazine* *Historical Dictionary of the
Elizabethan World* John Wagner,2013-04-03 No period of British history generates such deep interest as the reign of
Elizabeth I from 1558 to 1603 The individuals and events of that era continue to be popular topics for contemporary
literature and film and Elizabethan drama poetry and music are studied and enjoyed everywhere by students scholars and
the general public The *Historical Dictionary of the Elizabethan World* provides clear definitions and descriptions of people
events institutions ideas and terminology relating in some significant way to the Elizabethan period The first dictionary of
history to focus exclusively on the reign of Elizabeth I the Dictionary is also the first to take a broad trans Atlantic approach
to the period by including relevant individuals and terms from Irish Scottish Welsh American and Western European history
