C. Heironimus, 2018-01-20 Excerpt from The Missouri Compromise An Historical Study for Eighth Grade Pupils As a preparation for a study of the Missouri Compromise a short review of the condition of our country at the time of that famous struggle may not be amiss The growth in different lines between 1776 and 1820 had been most marked At the close of the Revolution our treaty with England gave us an area of square miles bounded on the north by Canada and the Great Lakes on the west by the Mississippi on the south by the Spanish provinces of Florida and West Florida and on the east by the Atlantic by 1820 we had increased this area to square miles with Canada and the Great Lakes on the north Mexico and the Rockies on the west Mexico and the Gulf on the south and the Atlantic on the east Florida was not actually in our possession but the treaty of purchase was awaiting ratification by the Spanish government and there was no doubt but that the formal transfer would be made In addition to this extended territory the work of the explorers Gray Lewis and Clark and the settlement of Astoria by the Pacific Fur Company had given us good grounds for claiming the rich region known as the Oregon Country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving

The Missouri Compromise Heman Humphrey, 2017-11-28 Excerpt from The Missouri Compromise An Address Delivered Before the Citizens of Pittsfield This is a crisis in which we who love our country and bear the sacred office must speak and will Speak If we should hold our peace the stones would immediately cry out If you could poll the whole ministry of the free States to day you would not find one in a hundred but that would remon strate at the top of their voices against the repeal of the Missouri compromise which declares that from all the territory purchased of France lying north of 36 deg 30 min slavery and involuntary servitude otherwise than in the punishment of crimes shall be and is hereby forever prohibited In Speaking to you tonight I do not Claim with Elihu to be quite full of the matter but I am so near full that I cannot hold my peace Though I have now been in the ministry almost fifty years I have never seen the time but once i allude to the violent expulsion of the Indians when the faith and honor and justice of the nation were so much in Danger of being tarnished as since the Opening of this Congress About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

History of the United States (Serapis Classics) John Clark Ridpath, 2017-11-12. On the day after the assassination of Mr. Lincoln, Andrew Johnson took the oath of office and became President of the United States. He was a native of Raleigh, North Carolina, born in 1808. With no advantages of education, he passed his boyhood in poverty and neglect. In 1828 he removed to Tennessee and settled at Greenville. Here, through toil and hardship, he rose to distinction and, after holding minor offices, was elected to Congress. As a member of the United States Senate in 1860-61, he opposed secession with all his powers and continued to hold his seat as senator from Tennessee. On the 4th of March 1862, he was appointed military governor of that State. This office he held until 1864 and was then nominated for the Vice Presidency. Now, by the death of the President, he was called to assume the responsibilities of chief magistrate. On the 1st of February 1865, Congress adopted an amendment to the Constitution by which slavery was abolished and forbidden in all the States and Territories of the Union. By the 18th of the following December, the amendment had been ratified by the legislatures of twenty-seven States and was duly proclaimed as a part of the Constitution. The Emancipation Proclamation had been issued as a military measure; now the doctrines and results of that instrument were recognized and incorporated in the fundamental law of the land. The problem of reconstruction of the Southern States was a most serious one, and the Republican party came near splitting asunder over it. As early as 1863, President Lincoln had formulated a plan by which any seceding State might be restored to the Union if one-tenth of its voters of 1860 should take an oath to support the Constitution and the laws and should set
