History Of The Netherlands East Indies 2 Volumes:

The Cambridge History of Southeast Asia: Volume 2, The Nineteenth and Twentieth Centuries Nicholas Tarling, 1992 Southeast Asia has long been seen as a unity although other terms have been used to describe it Further India Little China the Nanyang The region has had a protracted maritime history Confucianism Buddhism Islam Hinduism Christianity are all represented It has seen a quintet of colonial powers Britain France The Netherlands Spain the United States Most recently it has become one of the fastest growing parts of the world economy The very term Southeast Asia is clearly more than a geographical expression The Cambridge History of Southeast Asia is a multi authored treatment of the whole of mainland and island Southeast Asia from Burma to Indonesia Unlike other histories of the region it is not divided on a country by country basis and is not structured purely chronologically but rather takes a thematic and regional approach to Southeast Asia s history This volume the second and final in the series takes us into the nineteenth and twentieth centuries from the late eighteenth century of the Christian era when most of the region was incorporated into European empires to the complexity and dramatic change of the post World War II period It covers the economic and social life as well as the religious and popular culture of the region as they develop over two centuries The political structures of the region are also closely examined from the insurgencies and rebellions of early this century to the modern Nationalist movements which challenged the control of the colonial powers and led to the formation of independent states Under the editorship of Nicholas Tarling Professor of History at the University of Auckland New Zealand each chapter is well integrated into the whole Professor Tarling has assembled a highly respected team of international scholars who have presented the latest historical research on the region and succeeded in producing a provocative and exciting account of the region s history

The Cambridge History of Southeast Asia: Volume 2, Part 2, From World War II to the Present Nicholas Tarling, 1999 Volume 2 Part 2 covers the period from World War II to the present

Shaping a Dutch East Indies Siegfried Huigen, 2023-04-24 In 1724 1726 the Dutch clergyman Francois Valentyn published a 5 000 page account of the Dutch East India Company s empire It was the first and for a long time the only survey of the Dutch establishments in Asia and South Africa *Shaping a Dutch East Indies* analyses how Valentyn composed this work and how it largely determined the Dutch perspective on the colonies in Asia until the 1850s It seeks to highlight both the great diversity of knowledge gathered in Valentyn s book and its geographical spread

from the Cape of Good Hope to Japan with a focus on the Indonesian archipelago Huigen's book is the first in depth study of Valentyn's work which is a foundational text in the history of Dutch colonialism Changes of Regime And Social Dynamics in West Java Atsushi Ōta, 2006 This volume deals with the sultanate of Banten from the outbreak of the rebellion of 1750 to the launching of the Cultivation System in 1830 After the suppression of the rebellion by the Dutch East India Company VOC local society showed considerable vitality The introduction by the VOC of forced exploitation of the pepper cultivation did not lead to a significant increase in production but enabled the local elites to augment their power In the late 18th century Asian traders many Bugis and Chinese and English country traders integrated Banten and its Sumatran territory Lampung into a vibrant inter regional trading network This trade pattern which involved the exchange of pepper and the maritime and forest products demanded by the China market for opium contributed to the emergence of a new economic order in insular South East Asia This study shows how the society of Banten was in a state of constant transformation in reaction to the Western presence and the shifts of the world economy during the period from 1750 to 1830 **A History of World Societies, Volume 2: Since 1450** John P. McKay, Bennett D. Hill, John Buckler, Roger B. Beck, Clare Haru Crowston, Patricia Buckley Ebrey, Merry E. Wiesner-Hanks, 2011-10-05 A History of World Societies introduces students to the global past through social history and the stories and voices of the people who lived it Now published by Bedford St Martin's and informed by the latest scholarship the book has been thoroughly revised with students in mind to meet the needs of the evolving course Proven to work in the classroom the book's regional and comparative approach helps students understand the connections of global history while providing a manageable organization With more global connections and comparisons more documents special features and activities that teach historical analysis and an entirely new look the ninth edition is the most teachable and accessible edition yet Test drive a chapter today Find out how **The Cambridge History of Nationhood and Nationalism: Volume 2, Nationalism's Fields of Interaction** Cathie Carmichael, Matthew D'Auria, Aviel Roshwald, 2023-11-09 This major new reference work with contributions from an international team of scholars provides a comprehensive account of ideas and practices of nationhood and nationalism from antiquity to the present It considers both continuities and discontinuities engaging critically and analytically with the scholarly literature in the field In volume II leading scholars in their fields explore the dynamics of nationhood and nationalism's interactions with a wide variety of cultural practices and social institutions in addition to the phenomenon's crucial political dimensions The relationships between imperialism and nationhood nationalism and between major world religions and ethno national identities are among the key themes explained and explored The wide range of case studies from around the world brings a truly global comparative perspective to a field whose study was long constrained by Eurocentric assumptions **History Of Australia (Volumes 1 & 2)** Manning Clark, 1999-09-13 A History of Australia From Earliest Times to 1838 deals with the pre white settlement era and the earliest years of European colonisation through to the establishment of an increasingly settled society

and the expeditions of the great inland explorers This is not a general Australian history it does not attempt to cover all aspects and it is not a definitive or quantitative analysis It is a work of art a living and breathing account of the remaking of a primitive continent history come alive *Javanese Literature in Surakarta Manuscripts* Nancy K. Florida, 2018-08-06 Detailing the contents of the 1 204 texts inscribed in these 478 manuscripts Nancy K Florida s fully indexed catalogue of Javanese language manuscripts guides the reader through a wide range of materials

Asia in the Making of Europe, Volume III: A Century of Advance. Book 3 Donald F. Lach, Edwin J. Van Kley, 1998-12-15 This monumental series acclaimed as a masterpiece of comprehensive scholarship in the New York Times Book Review reveals the impact of Asia s high civilizations on the development of modern Western society The authors examine the ways in which European encounters with Asia have altered the development of Western society art literature science and religion since the Renaissance In Volume III A Century of Advance the authors have researched seventeenth century European writings on Asia in an effort to understand how contemporaries saw Asian societies and peoples

The Origins of the British Empire in Asia, 1600-1750 David Veevers, 2020-06-11 This is an important revisionist account of the origins of the British Empire in Asia in the early modern period David Veevers uncovers a hidden world of transcultural interactions between servants of the English East India Company and the Asian communities and states they came into contact with

revealing how it was this integration of Europeans into non European economies states and societies which was central to British imperial and commercial success rather than national or mercantilist enterprise As their servants skilfully adapted to this rich and complex environment the East India Company became enfranchised by the eighteenth century with a breadth of privileges and rights from governing sprawling metropolises to trading customs free In emphasising the Asian genesis of the British Empire this book sheds new light on the foreign frameworks of power which fuelled the expansion of Global Britain in the early modern world *History of Soybeans and Soyfoods in the Netherlands, Belgium and Luxembourg (1647-2015)* William Shurtleff; Akiko Aoyagi, 2015-08-17 The world s most comprehensive well documented and well illustrated book on this subject With extensive index 168 photographs and illustrations mostly color Free of charge in digital PDF format on Google Books
